THE BLACK PLAGUE

Anybody knows that the reason you can't sell snow to Eskimos is that they already have all the snow they're likely to need for the next few thousand years.

You can't sell mosquitoes to folks who live in tropical swamps, either.

Whenever the supply of anything far exceeds the need, that thing becomes valueless.

Even diamonds would be worthless overnight, if a worldwide shower of diamonds poured in from outer space, piling up knee-deep everywhere.

And on the other hand, the super-abundant "air" around us, which you couldn't sell in its usual form to anybody for a nickel--suddenly becomes the most precious thing in the world, even a small amount of it, to a drowning man.

There is no way to get around this law of supply and demand.

Whatever is so super-abundant as to be a "drug on the market", as it often is called, BECOMES worthless, no matter how you try to prop up its value.

Whatever is desperately needed, regardless of pretenses, will become valuable.

All of this is preface to a fact which should have become glaringly obvious years ago, but is still somewhat hidden from normal view by a million pretenses.

That fact is the growing WORTHLESSNESS of millions of "human beings".

The situation with "humanity" is very much like the situation with diamonds.

Diamonds are now very valuable. The reason is not purely that they are handsome. Fake diamonds can be made so close in appearance to the real ones that only experts with a magnifying glass can tell the difference. No, it is RARITY alone which gives diamonds their real value.

Imagine what diamonds would be worth if there were some kind of strange event in space, and billions and billions of diamonds showered down on the earth for several months, until we were almost smothered in diamonds--knee-deep in diamonds. Overnight, you couldn't get a NICKEL for diamonds. Not only that, but people would PAY to get them shovelled off their property. And if the showers were painful and broke up property and hurt people, diamonds would be among the most hated things on this earth.

That is precisely what's ahead with NIGGERS and colored people--indeed with INFERIOR people.

"Who are you to say the coloreds are inferior!" exclaim the "liberals" and humanitarians who are responsible for the approaching black nightmare.

It is useless to argue statistics with these liberal mush-heads.

For milleniums, human life was a precious thing, because it was so hard to get into existence and keep alive. It was rare, like diamonds. This led to what is now called "humanitarianism", the worship of something "special" about anything with two legs which can mumble or grunt a few words.

Then, in the first half of this century, science made more progress than it had made in all the thousands of years previously. Literally millions of methods were discovered to prevent death in adults, and to promote the birth and growth of young. This was no catastrophe in Western, civilized nations, where the human beings thus increased were of a high and productive type.

But with the advent of intellectualism in the 18th and 19th centuries, and its cancer-like growth into the disease of "liberalism", conceited little minds began to tell each other that the world had passed the stage where we had to obey the laws of Nature. "With our modern science", asserted these sophist snobs, "we master Nature and control her!"

"By changing environment, we can make a Beethoven out of a Bantu!"--was the end result of their cock-eyed "reasoning". "All races and people are equal --some have just not had an equal chance to develop".

So these wise men of Boetia set about GIVING "all men" this "equal chance" to survive and develop. The result is PRECISELY what would happen to the value of diamonds if we found ourselves suddenly knee-deep in them.

The LOWEST forms of humanity (the colored races) are now breeding so fantastically fast that we will soon be "knee-deep in niggers". The world is about to suffer the worst plague in world history--the "BLACK Plague"!

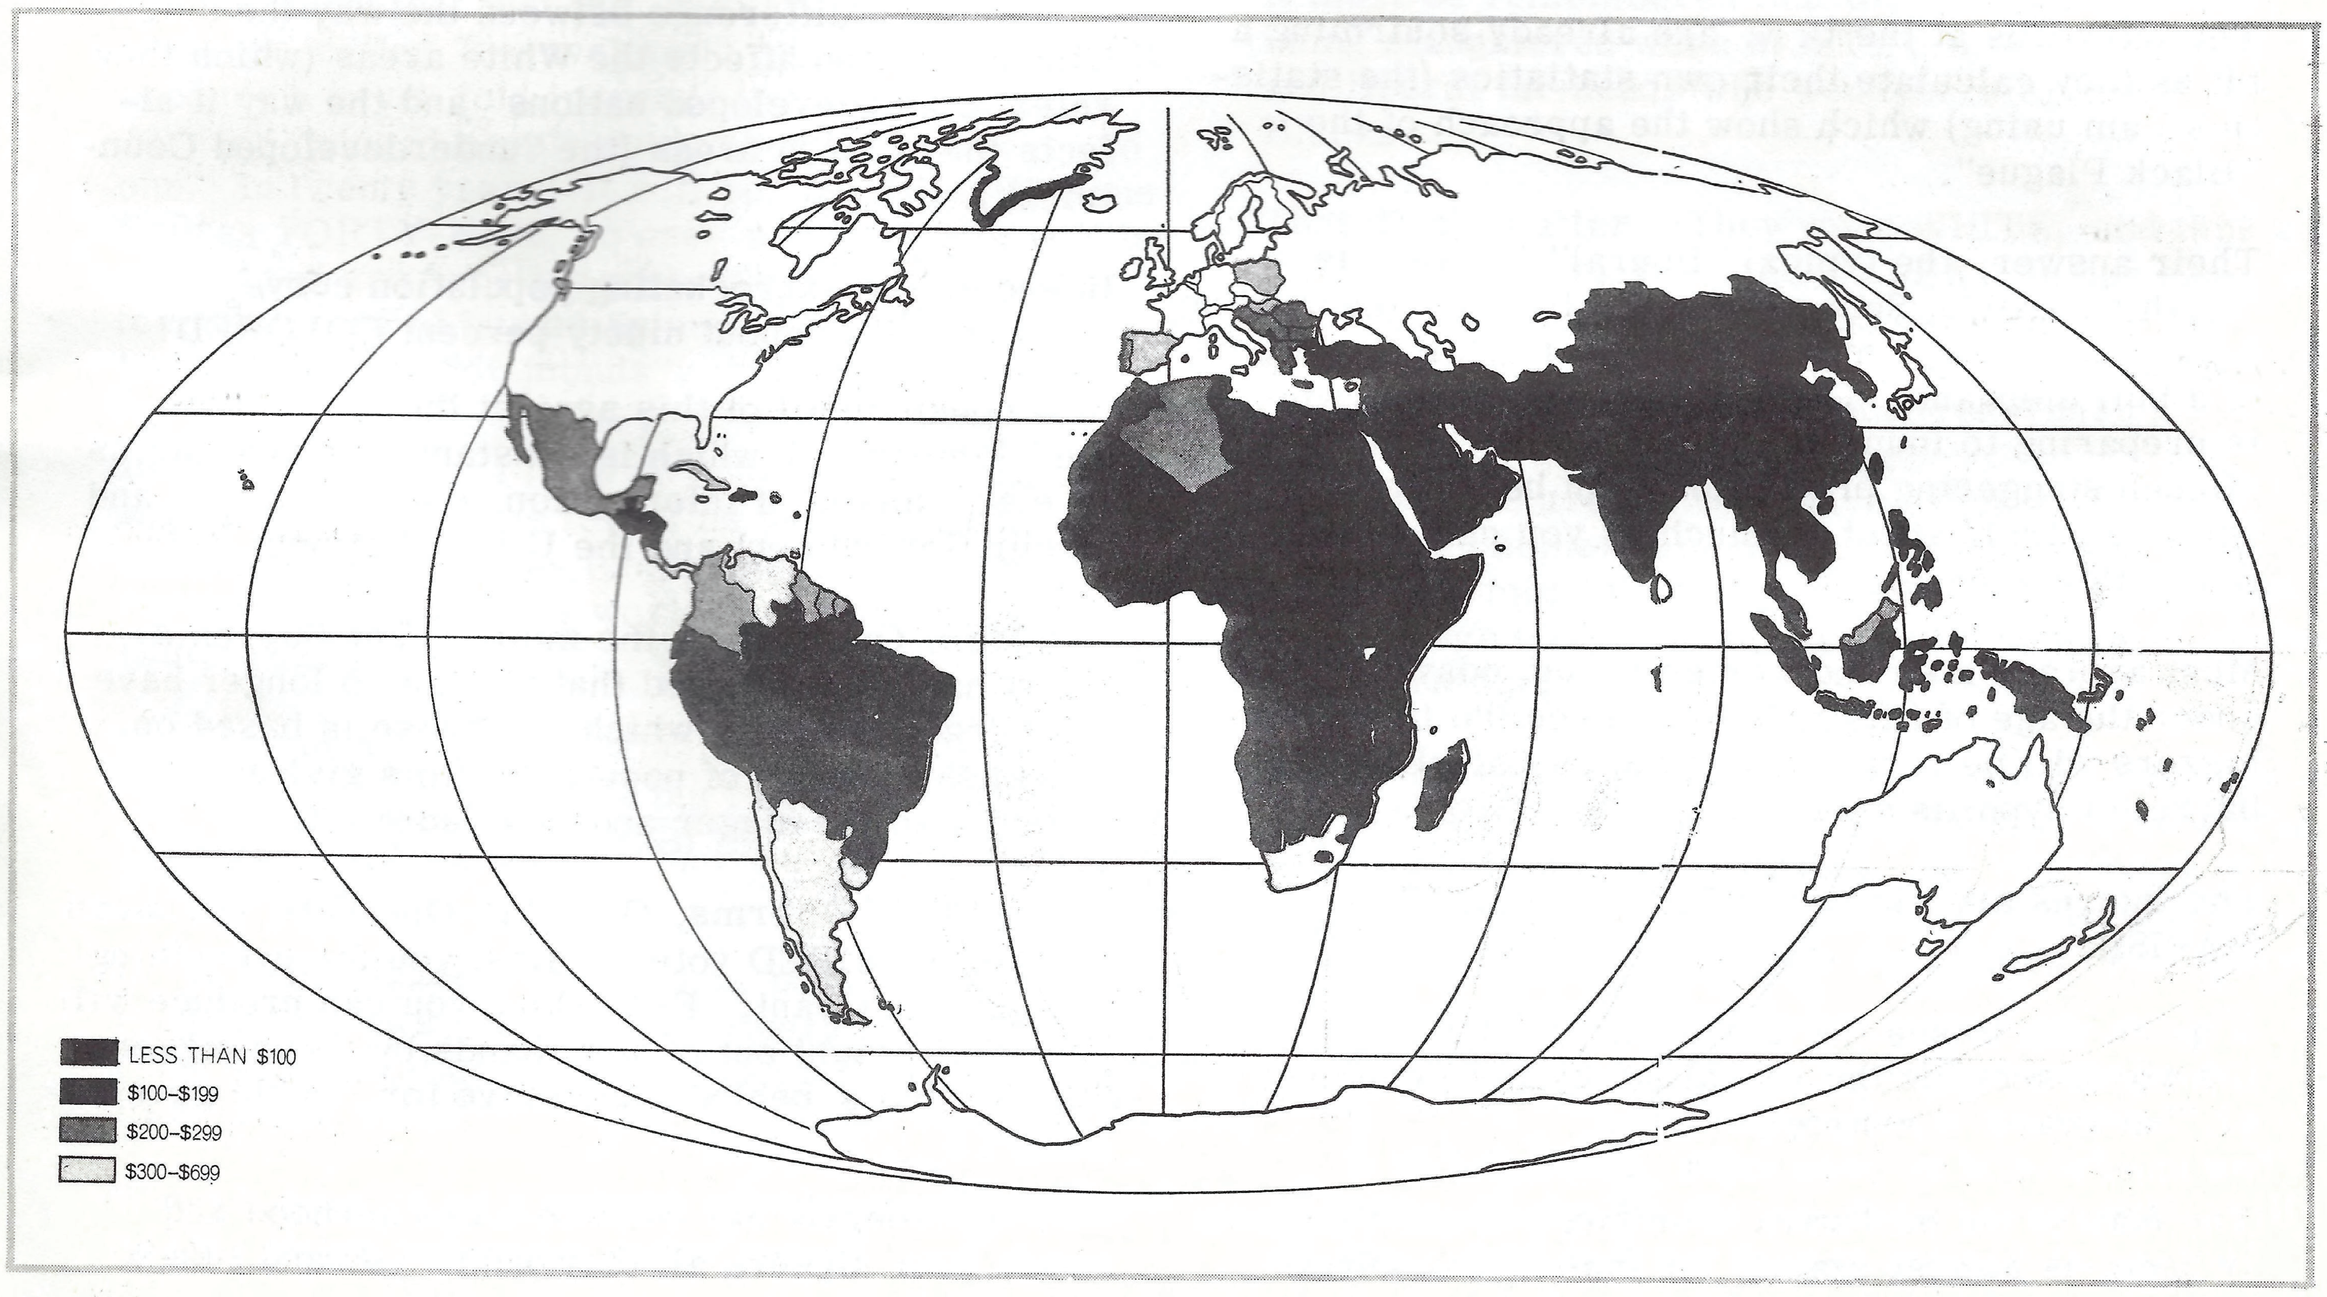
Already, colored humanity outnumbers the Whites by seven to one, and while White populations are growing at an average of 15%, COLORED POPULATION

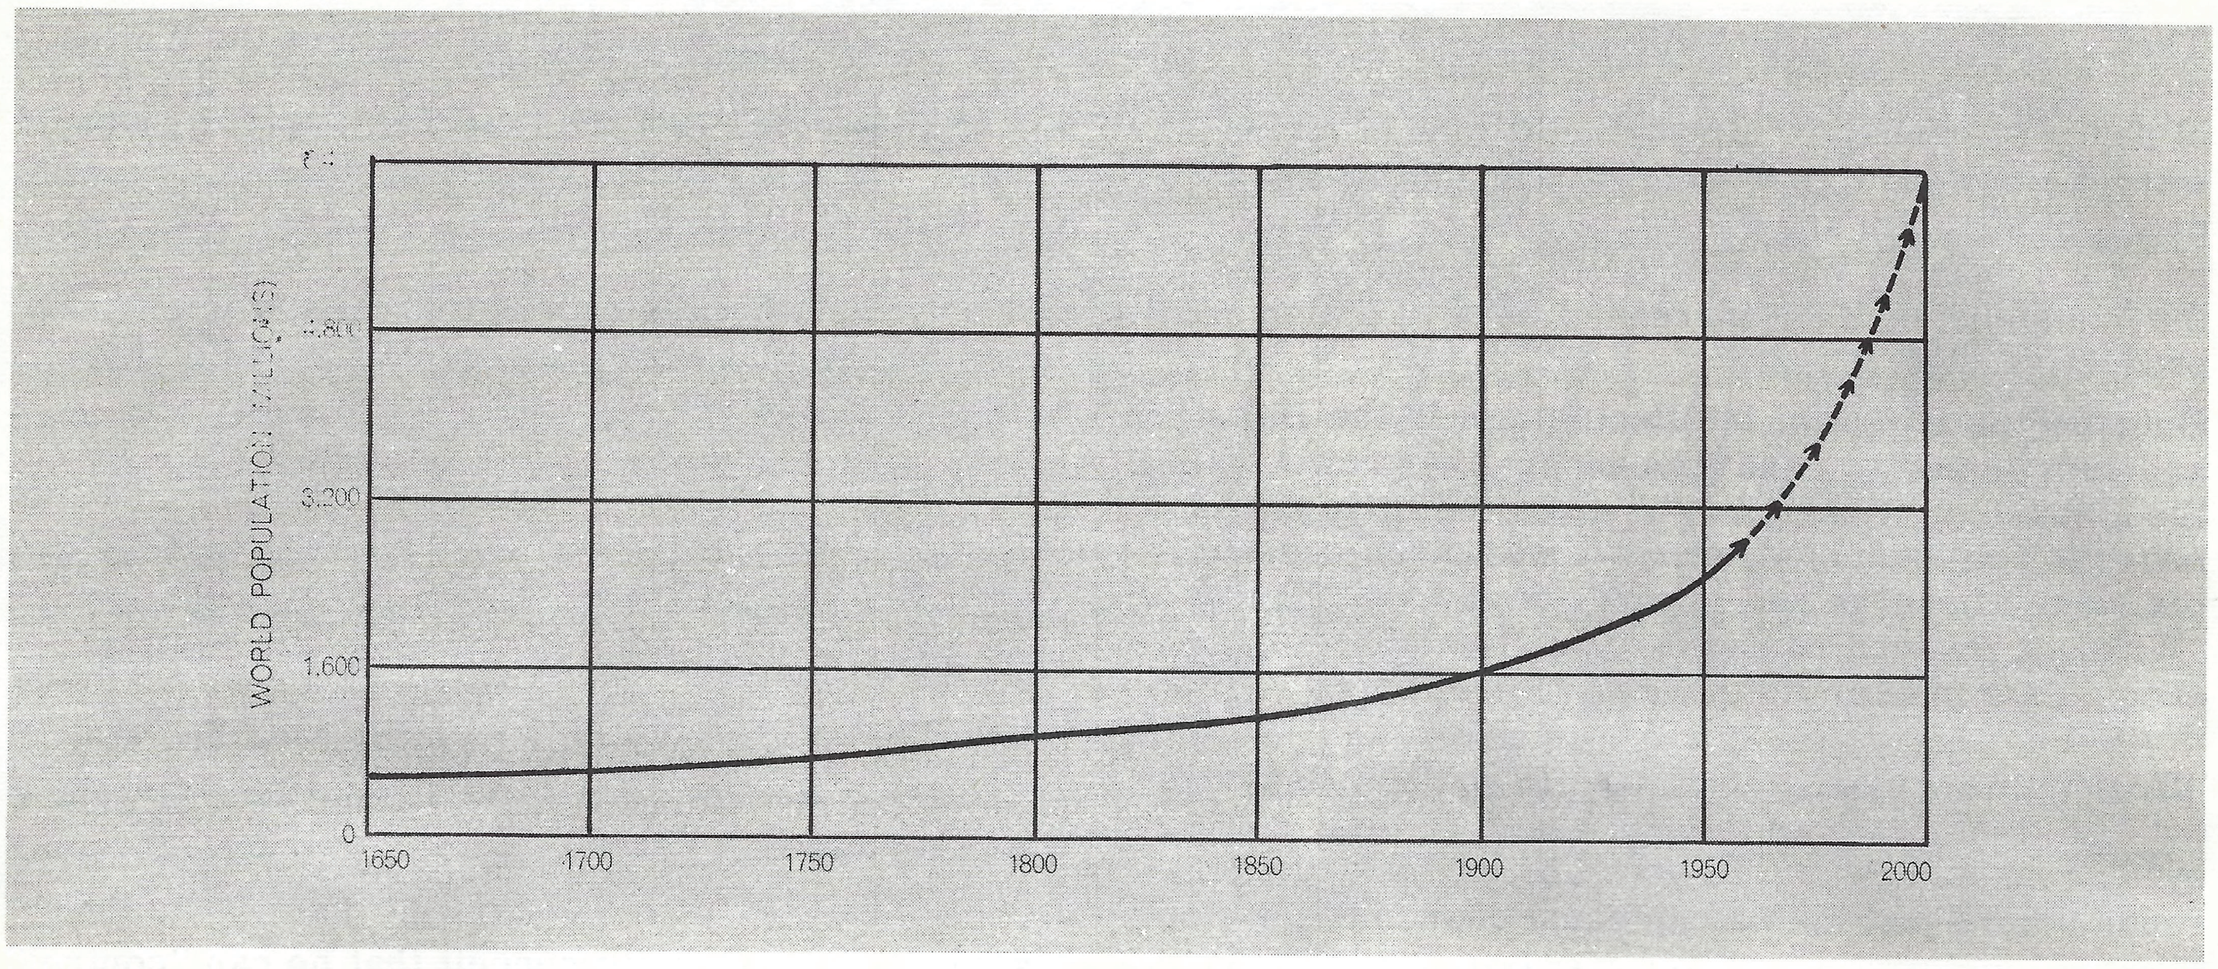
OF THE WORLD IS RACING ALONG AT 70%!

Not only that, but the rate of increase is itself increasing, so that even the present figures do not give a clear picture of what's ahead.

The "developed" nations are sending their "peace corps" and medicines, education and outright cash subsidies to "help" these nigger nations, and the only REAL result of the "help" is so damned many more LITTLE niggers screaming for more help, that it is only a question of a very small amount of time before the situation will be absolutely hilarious --and terrifying.

Mankind, in his infinite conceit that he can "control" Nature, is once again bringing the rabbits to Australia and the sparrows to America. In the latter two cases, the short lifespans of the creatures involved quickly showed man his error as the rabbits and sparrows multiplied by the billions to plague him. Niggers take a little bit longer than rabbits to breed (not much), but long enough so that it will be another ten years before the full horror of the thing dawns on the idiots who are promoting unlimited nigger-breeding all over the world.





A population study in SCIENTIFIC AMERICAN (September 1963) shows that the efforts to raise the standards of living in nigger countries does not have the same effect that it has in White countries, where the people have natural abilities. In nigger countries, as fast as you double the standards of one batch of niggers, they produce seven more batches and reduce the level of the whole lot by 8:1. All they produce when they get outside help is ... MORE NIGGERS.

The fat-heads at the U. N. are already squirming a bit as they calculate their own statistics (the statistics I am using) which show the approach of the "Black Plague".

Their answer, the typical "liberal" answer, is "birth control". Such utter unrealism is like handing a water pistol to a man with which to stop the charge of a bull elephant. The avalanche of niggers which is preparing to inundate the world in a "Black Plague" of such staggering proportions can be stopped by "birth control" about as much as you can stop the tide with a Kleenex.

Most average men and women living today who are under the age of fifty will live to see the time when niggers will be considered about as valuable as a barrel of syphilis germs.

The figures are simply TERRIFYING, NIGHTMARISH!

A quick way to see the picture is to take a map of the world showing the so-called "under-developed" or "backward" countries.

The map of the backward countries, it will be quickly seen, is almost exactly the map of COLORED countries!--and the DARKER the country--the more BACKWARD!

Above is a graph which shows the growth of world population:

Note that the projection of the rising curve begins to go almost STRAIGHT UP.

But the worst is yet to come!

The Scientific American points out that there is a tremendous difference between the way the scientific revolution affects the White areas (which they refer to as "developed nations" and the way it affects the colored areas (the "underdeveloped Countries").

In short, the skyrocketing population curve in the graph above is about ninety percent COLORED!

Now consider all of this against the background of the "democracy" which is constantly driven into us by every media of information, entertainment, and by our Government and the United Nations.

One Man, One Vote is the motto. The Supreme Court has even decreed that we can no longer have state legislatures in which one house is based on geography instead of population (this giving rule of America to the nigger and Jew-laden cities).

But in WORLD terms, One Man-One Vote will mean about a HUNDRED votes against you for everything you have and want. Everything you can produce will be VOTED right out of your hands by these niggers. That's what's behind their drive for "world government".

Now the liberals can coo about brotherhood and swoon over niggers all they want; you and I know

that when the day comes that that liberal discovers that he is going to have to give up all he has to NIGGERS in the name of "democracy", he will be finished with the "liberal" baloney and hocus-pocus in an instant.

And, further, when the niggers have everything going their way in the poker game, with the rules the liberals themselves have set up (while niggers have all the cards), do you think for a moment that the niggers are going to STAND STILL while we CHANGE THE RULES?

Like HELL!

The world will be reduced in a mighty short time to the old fashioned situation where one side has something the other side is determined to GET, and the other determined to KEEP. No votes, no discussion and no "brotherhood" or prayers are going to solve the situation.

We have permitted a gang of "intellectual" fat-heads, in the name of "liberalism" and "democracy" to set up a situation where "humanitarians" have made it possible for niggers to breed like rabbits, and where they have been already breeding like rabbits for thirty years. There are now so many of them, and so fantastically many more on the way that the Almighty Himself must look down on the swarming Black Plague with dread and horror. He never set this mess up; WE did!

In the next twenty years, stark and undeniable figures show that just the PRESENT rate of growth of the so-called "undeveloped" (nigger) nations will produce a seven fold increase in their population. Already colored people outnumber Whites seven to one. In twenty years, it will be, by United Nations figures FORTY-NINE to one--and the earth will be so clogged and bursting with swarming, sweating, teeming mobs of human animals that they will be like a plague of "diamonds".

In years to come, I have no doubt in my mind the world will accord the few of us with the wit to see what's ahead the titles (posthumously) of "prophets" for warning a heedless world of the approaching Black Plague.

It is not an Alabama or Mississippi problem, or a "Southern" problem, or a big Northern city problem--it is a WORLD PROBLEM, THE World Problem!

In the next decades, there is no power on earth able to stop the Jews and fat-head liberals who will continue to breed this Black Plague until the Plague itself stops them.

When it does, it will be such a furious catastrophe as this planet has never experienced!

Just as nobody loves locusts and grasshoppers when there is a plague of locusts, so NOBODY will be a nigger-lover when there is a plague of niggers--not even the niggers.

Niggers will then appear to be what they really are, a semi-wild form of half-human animal, unable to build or maintain a civilization, but capable, in vast numbers, of utterly and completely destroying ALL civilization.

The rapes, murders, robberies, muggings and riots in our cities of the North are not isolated incidents. They are the first skirmishes in the WORLD RACE WAR of which we have been warning for years.

They will increase, get much larger and more bloody, fuse with one another, become longer and more sustained, more violent, more professional, and finally armed.

Leadership and weapon ry for this world Black uprising is developing RIGHT NOW in Red China. Red Chinese "advisors" and experts are all over Africa, Asia and CUBA--training nigger armies and nigger massacre experts.

A. Philip Randolph, James Farmer, Dorothy Haight, Roy Wilkins, and even Whitney Young of the less violent Urban League all demanded, in writing, that the U.S.A. keep "hands off" in the Congo, and let the savage Blacks slaughter the Whites.

It must be remembered that the Whites who were being slaughtered were MOSTLY White missionaries and liberal fat-heads who went there to HELP the Blacks.

That didn't matter. They were WHITE, and they got tortured, slaughtered, and EATEN! In one case, a nun's arm was hacked off, and eaten before her eyes! And she was there not as an "imperialist", but for the usual "humanitarian" reasons.

These people are going to have to learn that you can't give "humanitarian" aid to savage half-ape beasts any more than you can safely enter a hungry tiger's cage to try to "educate" him to love of music and literature.

But since they won't, the massacres and uprisings will get more frequent and more brutal. The blacks will mass against South Africa, and the rest of the world will sit by mouthing platitudes while the Black Plague wipes out or enslaves the Whites of an entire nation.

Do not gasp that it just COULDN'T happen!

It IS happening, right now, in Mississippi and Alabama, where the Blacks, being a majority, will soon be masters of the Whites through mass and

bloc VOTES, while the foolish Whites will continue to play "Democrat" and "Republican", etc. If our people had the WILL to resist, they could DO it, as I saw so clearly in Selma last month. But they keep hoping there will be some "easy" way, and do nothing at all, except to damn the few of us who try, ---as "agitators", -OUTSIDE agitators!

As the niggers close in on South Africa, they will taste REAL blood for the first time, and will take the bit in their teeth. With leadership from Israel, Red China, Cuba, etc., the Black Plague will spread like fire in a gasoline factory until the whole earth is blazing. Only then will the fat-head White "liberals", the silly, squabbling right-wing and the narrow, 17th century "nationalists" realize at last that there are not MANY issues, just ONE.

And that one issue before the world is not WHAT form of government or economy we shall all have, but WHO shall run this world. As Adolf Hitler said in Mein Kampf, the ONLY question in the history of our times is: Will the titanic and final struggle of humanity turn out for the benefit of the White Gentile --or the benefit of the scheming Jew and his swarming army of colored inferiors?

As this Armageddon approaches, the REAL value of a "human being" will shortly appear with a vengence whether we like it or not. Like the "plague of diamonds" ripping out of the sky, there will be such a roaring storm of "people" on this planet that it will sag in its orbit from shear weight. Even among Whites, there will be so many that gross misfits, boobs and lazy bums will no longer draw the sympathy of liberals or anybody else who keep them breeding on "welfare".

And as for nigger "humanity", they will drop to lower than zero on the scale of value.

The children of today, I predict, will be forced to exterminate swarms of wild niggers until all of them are finally corraled in Africa. And THEIR children, in turn, will look back on YOU, their grandparents, and wonder HOW, how in the name of HEAVEN, we ever let this insanity go so far without doing ANYTHING BUT TALK!

Booklets vs Blood

Mr. & Mrs. Jones are reading the evening papers in their front room. There is a knock on the door. Mrs. Jones, a pretty young woman of twenty-eight, answers it. As soon as she has the knob turned, a huge nigger pushes his way into the room and his bloodshot eyes burn at Mrs. Jones.

"You SHURE got sumpin' I wants, honey!" the nigger leers as he starts tearing her clothes off.

Mrs. Jones screams for her husband and fights the nigger desperately as she is thrown to the floor by the panting black buck.

Mr. Jones walks over to the telephone and calls the police.

Then, while his wife is at the end of her strength, MR. JONES GOES BACK TO HIS CHAIR AND SITS DOWN. He picks up his Bible and begins to wait for the police.

What do YOU think about Mr. Jones?

Now read a reprint of an editorial from "The Cross and The Flag".

THE CROSS AND THE FLAG

DO NOT IMITATE

My admonition to the readers of this magazine who hold deep convictions concerning this Constitutional Republic, our Christian traditions, our racial self-respect and our dedication to sovereignty—my advice to you is, do not imitate the enemy, do not allow yourself to be drawn into street demonstrations and picket lines and circumstances which might lead to violence.

The American public is growing sick of these obnoxious people who clutter up our streets with their willful law violations. Let us not be their imitators. The only thing it takes to save America from mongrelization, Supreme Court tyranny, anti-God edicts and Communism in general is to enlighten our sleepy and uninformed friends. There are millions of people [illegible] who have been so [illegible]

Here we have Gerald L. K. Smith sneering at those of us who dare to get out in the streets and STAND UP to the filthy swine who are RAPING OUR COUNTRY, OUR RACE and our WHOLE, WESTERN, CHRISTIAN CIVILIZATION.

This is no attack on Mr. Smith. I have the greatest admiration for him; he taught me most of what I know about the Jews. But Mr. Smith, who was a top man in William Dudley Pelley's Neo-Nazis (the Silver Shirts) in his youth, is now a veteran of many, many decades of heartbreaking battle. He is tired. He is well along in years. Nobody can blame him for not wanting to get out and fight for our country, go to jail, get veatings, etc., and take the bold risks he USED to take.

But it is wrong for him to discourage the all-too-few Americans with the guts to FIGHT.

We won American freedom NOT by "enlightening"--but by "rebellion", "treason", "revolution" and the dirty, bloody, heart-breaking business of organized murder called "war".

Mr. Smith sneers at brutal methods applied to brutes as "imitating the enemy".

George Washington "imitated the enemy" at Trenton, and did a bang-up job of it.

Stephen Decatur "imitated the enemy" with the Barbary pirates, and proved we Americans could do it well, too.

When anybody punches me in the nose, I try my best to "imitate the enemy".

America and White, Christian civilization are not being destroyed by IDEAS--but by MOBS OF TERRORISTS, "students", "freedom" niggers, Communist agitators like Martin Luther Coon, etc., etc. Even the ideas in the colleges are not genuine, but always the product of subtle mental and social PRESSURES to be part of the "liberal" gang, to "belong".

No amount of "education" will get these vile disease germs out of our national system, although it HELPS.

But to get rid of germs, it is necessary not only to KNOW about them, but to FLUSH THEM OUT with the nasty castor oil or whatever other kind of medicine it takes.

When a "doctor" no longer has the nerve for the rougher parts of his practice, and he retires to a sort of senior advisor status, nobody can blame him for it. But he ought not to scold his younger colleagues who still have to carry the burden of the dangerous operations, the midnight calls in the wild country, etc.

Wisdom From Warner

I was a little worried about publishing the last Rockwell Report, "Anatomy of White Surrender in Selma". I was concerned that the brutal facts of defeatism and cowardice would depress and discourage too many of our people. But I thought it needed to be published and went ahead.

Much to my happy surprise, we have received more letters of favorable comment on that report than on any other for a long time. The mail has just poured in, -and far from filling our kind of people with fright or dispair, it fired them up with the blessed spirit of heroic resistance which will yet save our Race and Nation.

Among the best of such letters was one from James K. Warner, with whom I feuded bitterly for years when he was cooperating with Mr. Fields.

For two reasons, therefore, I am herewith printing the letter from Mr. Warner. First, it is one of the most brilliant and interesting we have received on the subject. Warner had extensive experience dealing with the situation we faced in Selma, and his observations are cogent and very worth while.

But I also print the letter because this report is, unfortunately, full of illustrations of the attacks on me by other rightwingers from the Birch Society down to Fields.

I am in hopes that by showing that Warner and I have been able to come to terms and, although he is not in the Party and I do not agree with some of his promotions, we stand together against the enemy, after years of bitter and brutal quarrelling.

I am prepared to do the same with any rightwing patriot who is willing to quit the lies, smears and schemes against us--even including Mr. Fields himself.

Here's the letter from Warner ...

Commander Lincoln Rockwell

Dear Commander:

I have just finished reading ANATOMY OF WHITE SURRENDER IN SELMA, ALA. in the January Rockwell Report. I find your observations to be 95% correct.

From my own dealings with these people in Tuscaloosa and Birmingham I think more lies behind their stopping 'outside agitators' then meets the eye.

The main street jews, and gentile communists WANT small southern townsto surrender and I believe they have put 'their' people into the controlling positions in these small communities. Communists running for office by pretending to be 'segregationists' can do more for the reds than 100 Martin Luther Coons. Martin Luther Coon is the EXCUSE for surrender but the surrender has been planned in advance.

Just as in Birmingham, the 'liberal' government there, after coon demonstrations started took the position of 'what can we do, we must negotiate with the niggers". Of course, the word negotiate means surrender because in negotiations both sides must have something to offer, and the coons have nothing to offer but all to gain.

ML Coons demonstrations give them the 'easy way' out for their treason.

By the ANP, ASRP, or any racist coming into the area to lead White resistance, we upset the applecart and the LOYAL VOTING WHITES ask themselves WHY their local officials are NOT fighting like the 'outside agitators' are fighting. Then these sell out politicians are put into the position of putting us out of action, or fighting the niggers. Since surrender falls in line with their plans, the so called 'outside agitators' are arrested, etc. and the niggers allowed to take over the streets.

The whole political system in the South is ROTTEN and full of people like ourpresident, light bulb Johnson---segregationists when it is to their benefit and race mixers when to their benefit. Like a snake changing it's skin.

Good luck in your expeditions into the Confederacy.

James K. Warner

Truth Is Truth

Herewith I reprint an entire article from one of the ROTTENEST papers in the world, the paper which Lee Harvey Oswald so proudly held when he had his picture taken with his assassination rifle. The paper is the "Militant", and it is the paper of the wild, way-out, pro-Castro, nigger lovers and Red China fans. It makes me almost vomit to read more than a few lines in this filthy rag.

An Important Question of Political Theory

Does Goldwaterism Equal Fascism?

By Fred Halstead

During the recent election campaign there was a widespread tendency within the American left to characterize Barry Goldwater as a "fascist." Some went so far as to assert that at the San Francisco convention the Republican Party had been captured by "an American fascist movement." Others said that Goldwaterism represented the threat of an imminent facist takeover in this country.

Among those on the left who were most categorical in applying the term "fascist" to Goldwater was the Communist Party. Not many politically experienced people take the use of this word by the CP very seriously, since it has a record of monumental confusion in this regard. (Franklin D. Roosevelt, Tito of Yugoslavia, and Trotsky are among the many labeled "fascist" by the CP at one time or another.)

Those who use the term "fascism" simply as an epithet do a disservice to the movement for social progress. There are several reasons why it is important to be clear on the scientific meaning of this word, and to be careful and precise in its use. "Fascism" refers not to right-wing movements in general, but to a particular kind of counter-revolutionary movement. It is the most dangerous kind. It flourishes under certain special conditions, and special methods are required to fight it.

To refer to every right-wing development as "fascist" is like crying "wolf" at every dog one sees. It is a dangerous practice, which can leave the revolutionary forces unaware of the approach of the most serious danger when a real fascist threat appears.

Specifically, the word "fascism" comes from the Italian counter-revolutionary movement of Benito Mussolini. The term was correctly applied to Hitler's Nazi movement, to the Franco-led rebellion in Spain, and to several other movements which were fundamentally similar to the Italian prototype. But there are many other right-wing movements and even right-wing military dictatorships to which the term "fascist" does not apply. What, then, is fascism?

It's most unique feature is that it is a counter-revolutionary movement based on broad masses of the population. It is not simply a movement or a government of reactionaries which seeks to maintain the status quo. It is financed by big capital, but its hired demagogues appeal to masses of largely middle-class people by speaking the language of drastic social change. It is a movement which can flourish and grow rapidly only in a period of deep social crisis when the immediate possibility of its opposite — a working-class revolution — is also present.

Goldwater

Indeed fascism's reason for being is to forestall or destroy a working class revolution about to be born. If there is no revolutionary situation, there is no counter-revolutionary situation either. Fascism can only flourish in a period of deep social crisis.

In such a period, the historic function of fascism is to smash the working class, destroy its organizations — such as the unions — and stifle political liberties on behalf of the capitalists who find themselves unable any longer to maintain control through the regular "democratic" machinery. As long as the capitalists can maintain control through the normal political machinery, they do not throw their weight behind the fascists. Fascism is their last resort when the system has broken down.

Another unique feature of fascism is that it has *never*, we repeat *never*, taken power before there was a radicalization of the working class and broad sections of the middle class. Fascism becomes an immediate threat only if the working-class organizations fail to solve the social crisis which has produced this radicalization. If that happens, then the middle classes, which have been impoverished or driven to despair by the social crisis, seeing no solution forthcoming from the working-class organizations, look about hysterically for a solution.

It is under such conditions — and only under such conditions — that the fascist movement experiences rapid mass growth. The fascists then appeal for support chiefly from the middle classes who have been threatened or forced out of business by monopoly and the economic crisis. They demagogically attack big business while they secretly accept its funds and its direction. They blame the country's problems on racial scapegoats. They also point to the unions, to strikes, etc., as causes for the social crisis.

They promise radical change and all sorts of social-welfare measures. They appeal to and recruit from the chronically unemployed, from sections of the workers who have become antagonized by the do-nothing or job-trust attitudes of the unions, from criminal elements, from the skid rows, above all from the middle classes. They organize bands of armed street fighters and break up union meetings, beat up and assassinate unionists, radicals, civil libertarians, etc.

If the working-class organizations fail to unite in their own defense, and if they fail to carry out their historic task of solving the social crisis by a socialist revolution, then the fascists can take power. Then a totalitarian dictatorship of the most brutal and pervasive kind is established. The labor movement is crushed by the physical annihilation of its leaders and militants, of thousands of radicals, liberals and civil libertarians. In due time the plebian armed bands of the fascist party are themselves surpressed, since they are no longer needed. Then the fascist state rules on behalf of big capital over the corpse of a defeated revolution.

That is what "fascism" means, and it is nothing to be taken lightly. But it is not an immediate threat in the U.S. right now, and it wasn't an immediate threat before the election.

Of course, the fact that fascism can only become an immediate threat during some form of economic and social crisis, does not mean there are no fascists during a period of relative prosperity and social calm. There are many small fascist groups in the U.S. now, preparing for the day when they hope to bid for power. A number of these — such as Gerald L. K. Smith and the Minutemen — supported Goldwater's campaign and sought the cover of respectability from it.

But that's a long way from an immediate threat of fascism. Goldwater doesn't fit the fascist mold, at least not so far. It is important to distinguish between fascism and the straight right-wing, conservative program, and upper-middle-class composition of the Goldwaterism of 1964.

A fascist movement will not hesitate to promise the most radical social-welfare measures — as Hitler did — in its bid to attract broad support. Along with this, it will build its armed bands and proceed physically to attack the organizations of the working class and the Negro people. The truth is that if Goldwaterism had been a fascist movement, the unions, the civil-rights organizations, etc. would have had to defend themselves in the streets.

There are two major elements in the defense of the progressive forces against fascism. 1) The revolutionary forces must prepare to conduct this defense independently of the capitalist class or of the capitalist power structure. A capitalist-controlled government simply cannot be relied upon to enforce the law against the fascist gangsters whom the capitalists themselves will finance in a period of social crisis. At the same time, the revolutionary forces must rally to the defense of any group being physically attacked by the fascists.

2) The revolutionary forces must proceed to solve the social crisis which the capitalists have been unable to resolve. In order to do this, the workers must be politically independent of the capitalists because the solution of the crisis is going to cost the capitalists their positions of privilege. If the working-class organizations fail to do this, if they fail to proceed with the socialist revolution, then the field will be open for the fascists.

This is the historic perspective There is a long-term danger o fascism in the United States. Th only defense is the long-term pre paration of the socialist revolu tion.

But in struggling and gagging through a pile of back copies as part of my job, I came across one article in this compost pile from which we can learn a lot.

I recommend all "conservatives" read and study this article by the most militant and vicious of the enemy, to see what it is they fear--the ONLY thing the swine fear. Observe that they do NOT fear "Goldwaterism" or "Welchism", etc. What they fear is a movement able to win MASS support, and this is ALWAYS called "Fascism" or Nazism" and is NEVER ANTI-LABOR, etc.--as was Goldfinkism with its stupid "soak-the-poor" approach.
This article also explains why I am not worried that we now have no "masses" and not even very many members as the enemy admits. No real fight

against the left can win until the fight gets rough. And when it does get rough, the Birchers and even "States Righters" will seem downright silly. When the present rich "kosher conservatives" are really scared, scared to DEATH, as they soon will be, they will quit playing games with "Life Lines", "National Review", etc.--and be looking for an American "HITLER", just as did the German industrialists before them. Until then, I can only survive and prepare and prove ourselves fit to lead a counter-revolution.

Now read this penetrating article written from way over there on the enemy side, and see why ONLY RADICAL, ALL-OUT "NAZISM" HAS ANY CHANCE OF BEATING THESE FOUL TRAITORS AND TERRORISTS. AND THEY KNOW IT!

Note On This Report

SPECIAL NOTE: During preparation of this issue of the Rockwell Report we have been forced to delay final printing several times by the rapid rush of events, such as the shooting, yesterday, of Malcolm X, just as we were once more ready to start running. I almost decided to leave the item on Malcolm X out, just in case any of our readers are so inconsolable in their grief that they might cancel their subscriptions if we exposed his latest bit of hatred of Whites, now that he is dead. But then I decided that the item is too much an accurate sign of our times -of insanity, -to pull it out of "respect" for this colored Mao Tse Tung. I have therefore printed the Malcolm article elsewhere in this issue.

But Malcolm being cut off in the flower of his nigger youth is not the ONLY good news.

In between getting out the latest "Storm-trooper" and this "Rockwell Report", we have finally gotten the giant, new newspaper press. The old wreck had to be dismatled and removed, the whole press shop shuffled around, and the new press set-up and learned.

There is a third reason for this Special note, however.

As the murder of Malcolm shows, the "natives" are getting more and more "restless". The increasing acts of nigger-violence we have so long predicted are like artillery flashes on the night horizon. When the blood-red dawn of all out red-Chinese-Castro-nigger REVOLUTION bursts upon America it will reveal such a scene of butchery, gore and terror that the strongest men will shiver.

All we see today are rehearsals and the isolated acts of a few extra radical niggers who can't wait for Martin Luther Coon and the Jews to get things ready with their phoney "non-violence". Malcolm was at one of his "gun-club" rallies in Harlem when he was shot. Had he not been shot, you would never have heard of the meeting. Such meetings by the hundreds take place all over America, and they are preaching "KILL THE WHITES!". As I write this, the morning mail brings a report from Capt. Forbes in California that the red-race-mixers out there are picketting OPENLY WITH THE HAMMER AND SICKLE, --and the niggers were chanting "KILL THE WHITE M----- F------!!" Police remained almost a block away, probably fearing an "incident", and permitted our seven brave counter pickets to be surrounded by these wild, murderous jigs and Jews.

The Mau Mau terrorism growing in America right at this MOMENT is like a huge "H"-bomb sitting in our midst, with the works ticking quietly away. All we can hear, right now, are the tiny clicks and ticks, -like the murder of Malcolm. But, as the fuse burns shorter and shorter, and the Jew-Communist agitation of the niggers goes on, we are getting only WEEKS away from the blood-red dawn of all-out nigger TERROR, when the savage hatred incited in the niggers by the Jews will burst forth upon our land. The H-bomb blast is over in less than a second. But the scorching white heat of savage, African hatred and blood lust will be ripping out the guts of White American men, women and children for months and months, -maybe years!

When this nigger terror strikes, nigger-and-Jew-loving "leaders" like Robert Welch, who is now attacking our lads in California, -will show up for what they are, -cowards and fakers. They will seem downright RIDICULOUS to the people.

A recent survey in Newsweek shows that over fifty percent of the niggers believe they can WHIP the Whites in America, because the WHITES WON'T FIGHT! The niggers paid the Klan and the Nazis a reverse compliment when they said that the Nazis and Klan were the only White groups they thought WOULD fight.

The Birch Society has been so badly hurt by our FIGHT, --while they get millions for TALKING and backing such as Goldfink, that they are actually, yes, -ACTUALLY, --claiming that they are in the "center", politically, while all of us on the "right" believe in CANNIBALISM! Look at their ad against us and see for yourself!

As we have become stronger and more effective, in spite of total hostility from both the organized left AND the right, -the attacks from the RIGHT have increased to the point where they now outdo the attacks by the left. As the rightist fakers

and profiteers have become more desperate with our growing international successes, their lies have become literally hysterical and insane!

This issue, for this reason, has far more than its share of reporting on these attacks by the rabbit-right. I regret this fact, and have done my best to keep these articles to a minimum. But I believe with all my heart that our readers, who are the ELITE of the right-wing, the hardest of the hard-core, MUST BE TOLD THE TRUTH, even when it is irritating and discouraging. Nobody in the movement has tried harder than I have to "get together" with others in the fight. My reward has only been to be accused of trying to "smear by association"! The crescendo of attacks upon us by the rabbit-right has now reached such a furious, howling peak that it is the biggest, single fact-of-life in our operations. YOU, the reader, must know and understand that fact-of-life, or you will suffer even more bitterly from the utter "confusion" of it all.

Actually, these desperate attacks on us by the fakers is a GOOD sign. It HAD to come. It is a sign that pressure on these "leaders" is mounting from BELOW, --from our kind of people! They are sick and tired of being told to write their senators, vote for Goldfink and love niggers and Jews while our streets are full of riot, murder, bloodshed, rape, anarchy and open communists. The witch-doctors of the rabbit-right are suffering the first paroxysms which will eventually leave them alone and discredited before their own troops.

To win, we are going to have to FIGHT, just as did our forefathers. There is no "easy" way.

Leaders who, even now, are so scared of Jew and nigger ECONOMIC terrorism that they don't even dare MENTION the enemies' name will not have the necessary daring and aggressiveness to FIGHT, --when the enemy is terrorizing the streets, as they are already doing. The Klan and the Nazis ARE fighting, and going to jail, -and so would any American who means what he says when he talks about laying his life on the line for our Race and Nation. The "nice" leaders all have "reasons" to explain why they won't even mention the WHOLE truth, -but I have heard those same kind of "reasons" from rabbit-hearted types in two wars, and know that cowardice can always find a thousand "reasons" to present itself as "wisdom" and "superior strategy".

For the same kind of despicable "reasons", these rear-echelon "leaders" are now forced to "explain" to their "troops" how come we Nazis are out there all the time DOING what these so-called "leaders" are always talking about. And their "reason", of course, is that we are working for the enemy, who rejoices at our attacks!

The right-wing claims to be the side of the "truth". The truth is a holy and sacred thing. It is not DIVISIBLE. If your weapon is truth, then in spite of all persecution, you must STICK WITH IT and even die for it. History has been made only by men with the guts to do this. Christ did it, and there would have been no Christianity today had not thousands of brave men and women been willing to DIE in Rome and other places to tell the WHOLE TRUTH!

The WHOLE truth today includes the fact that Adolf Hitler fought OUR fight, and we fought on the WRONG side of every issue in World War II. We murdered the most Christian and racist nation in the world on behalf of bolshevism, the Jews, Zionism, atheism, niggerism and Soviet Russia.

In the effort to escape the wrath of the Jews for telling that ultimate FACT, every right wing outfit in America is beginning to blast ME and the American Nazi Party more every day. (See the full page ad by the Birch society elsewhere in this issue!).

And before the fighters can take the field and get any support, the witch-doctors and fakers who call right-wingers "cannibals" are going to have to be pushed aside and out of the way. So bring them on! Welch has labelled us everything but niggers (although he did say "cannibals", at that!). He has finally come screaming out of his hole, and we will give him his chance to prove in court all the crazy things he has written about us!

The House Committee, goaded by Jew-and-nigger-supported Rep. Weltner, is gathering anything it can get from ex-members I kicked out or who quit; while so far refusing me a chance to be heard.

The sheep-in-wolves' clothing calling themselves "leaders are hurting badly as we keep lifting up those wolf-pelts and showing the people the lily-livered sheep hiding underneath.

When the niggers STRIKE, and the Jews turn it into the bloody, planned Communist revolution in our America, the people will not be looking for such "nice" leaders, who dare not even declare the war or name the enemy. They will be looking for tough, aggressive, responsible and FIGHTING leaders who can whip the daylights out of the enemy and KILL the enemy.

In order to be ready to do just that, our young fighting men now have to suffer not only the blows of the Jews and commies and niggers, -but of our own side, too. My point is that readers must not permit themselves to be confused or discouraged by all this. It's part of the fight to be EXPECTED. In his last few years before winning elective power, Hitler lost more stormtroopers to RIGHT-WING, blind "nationalists" than he did to the real, communist enemy!

But he did what had to be done. So will we.

A Real Miracle

Here is a picture of a MIRACLE!

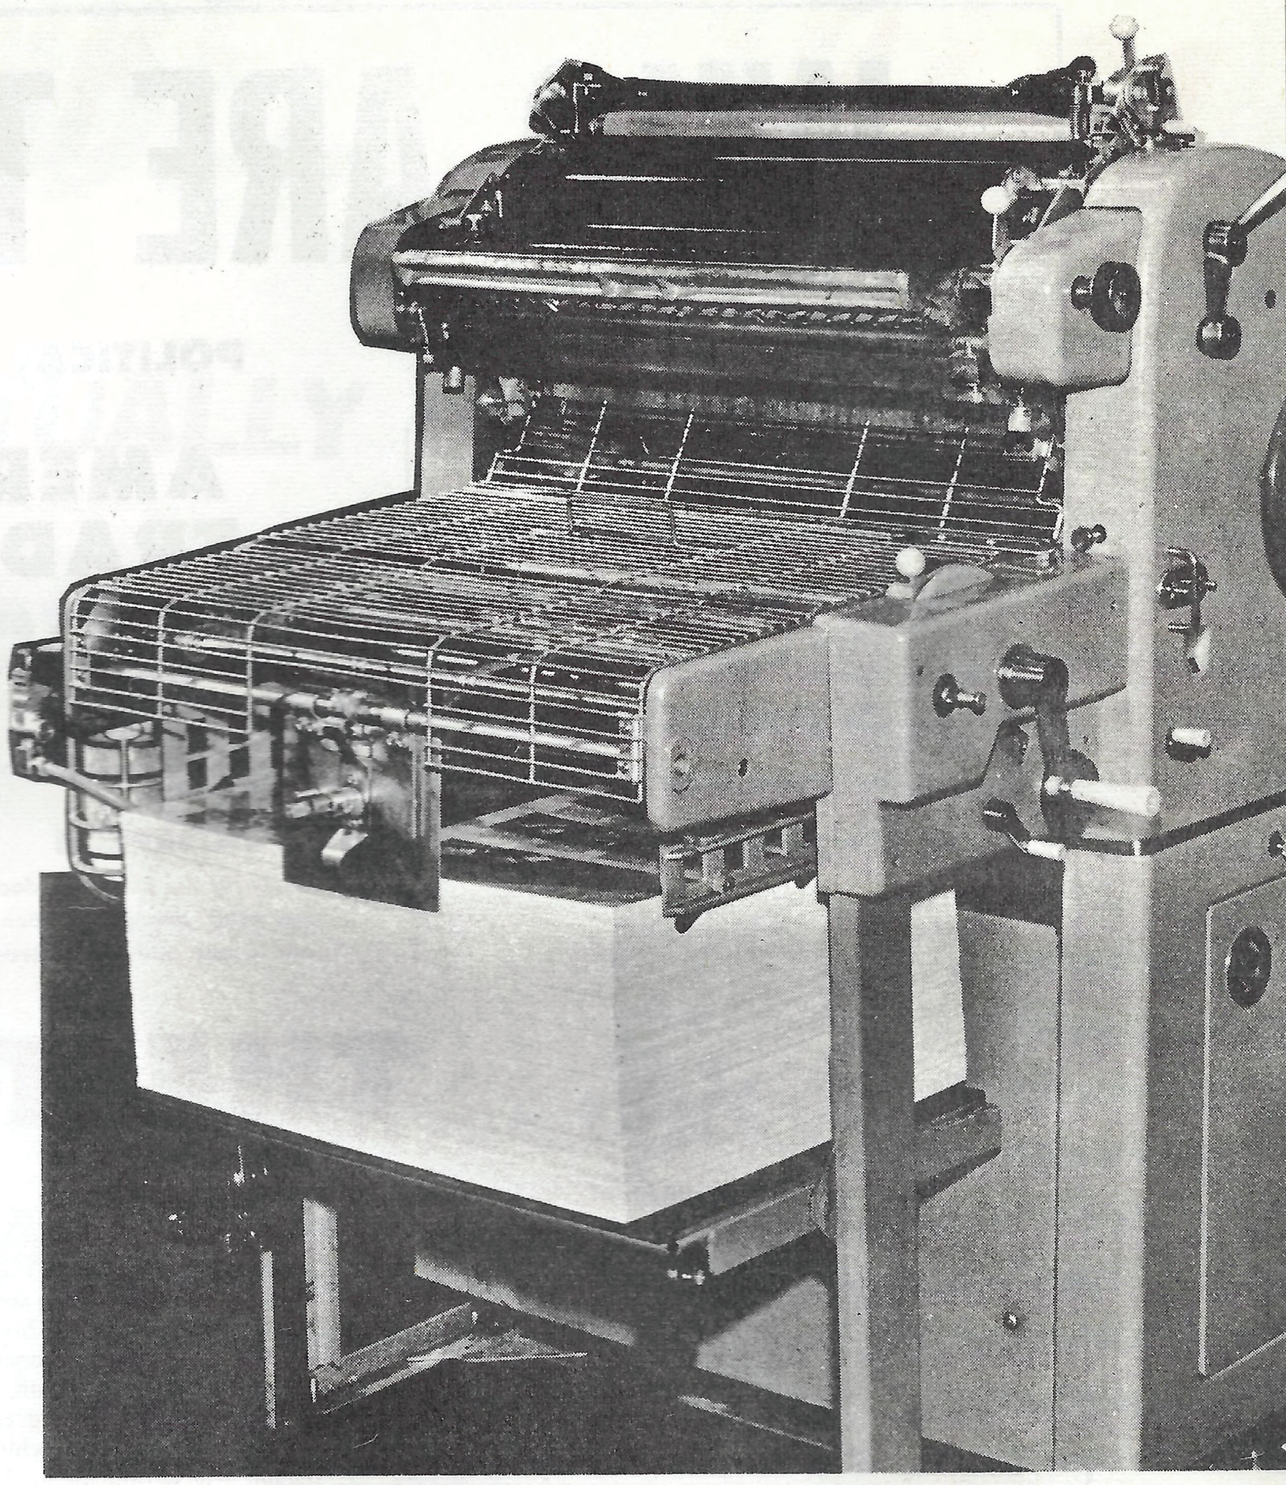
This ROCKWELL REPORT is being printed on a giant, new press here at headquarters, a press which will turn out 8,000 full newspapers per hour!

Our old press has turned out literally MILLIONS of pieces of literature, which have astounded even the Jews with their quality. With infinite patience and Nazi WILL we have turned out excellent work on a piece of ancient junk (which we were lucky to have at all).

But the poor old thing finally COLLAPSED. Captain John Patler managed to nurse it along and even turned out the latest STORMTROOPER on it, by using elastic bands, Scotch tape and coat hangers to hold it together!

Finally, folks in Dallas, Amarillo, Kentucky, and other areas got together, bought this tremendous, marvelous modern and brand new press and leased it to us!

Wait till the Jews see what we will shortly turn out with THIS kind of help!



U.S. Gold & War

The Jews and their Goy accomplices know very well they cannot survive an economic recession of any size.

The only thing which keeps millions of American White Christians purring like stroked cats is the money and luxury they can get by pretending to love the Jews and niggers.

If the money stops, and White Christians do not have jobs while the Jews are rich and the niggers take the jobs, Nazi Germany will seem like heaven to American Jews.

But at the same time the Jews have set up such a false and vicious "economy" in this country that inevitable financial catastrophe looms ever closer. Our gold is pouring out at a suicidal rate and the President is preparing to get legislation to permit the Federal Reserve to give away still more of our gold to foreign nations instead of backing our currency which is already wobbling dangerously. There is no question but that the economic recession which means the end for Jewry is just around the corner. The prosperity of the moment is the product of hysteria, wild inflation, debt, and Jewish schemes.

Under these circumstances, time after time in the past, the Jew puppets in the White House have launched wars to cover up their misdeeds and wrapped themselves in the flag and sent our young men off to die by the thousands to prop up the economy they are destroying.

All signs now point to the same tragic and ugly Jewish scheme in Washington. Johnson, like Roosevelt before him, is determined to stay in that White House. If there is a financial crash, he doesn't have a prayer and knows it.

Therefore, I predict that before the elections of 1968, we will be enmeshed in another "war" which we will not win, just as in Korea.

In fact, the current hostilities in Viet Nam appear to me to show all the signs of another Jew-democrat phony war to make money and prevent recession.

And I predict that the outcome will be precisely the same as the tragic outcome of the Korean War, the first war in history we lost.

I would be all for hostilities if we went in there hammer and tong to beat hell out of the Communist enemy and give them a licking they would never forget.

But to send American boys in there to die by the thousands to get Mr. Johnson elected and keep our phony economy booming is nothing short of criminal.

THE TRUTH

It is important that the citizens of Glendale understand the real significance of the opening of the headquarters of the National Socialists or NAZI party in this community.

In stating their reason for choosing our city as a place to locate, a spokesman for these people said it was because there was a lot of anti-communist activity here and that Glendale was a "white man's town."

HAVE YOU ASKED YOURSELF THESE QUESTIONS?

What motivates these self-styled Nazis? Are they psychopathic exhibitionists who have a sick lust to stir up trouble and draw attention? Or are they actually a communist plant designed to damage, through guilt by association, the entire anti-communist movement? Is this a clever attempt on the part of the Reds to arouse sympathy for themselves because the so-called Nazis are supposedly or reputedly anti-communist?

Hitler burned the Reichstag, blaming it on the Reds so his gangsters could seize control in Germany. Are we witnessing a similar dissimulation to make the responsible and reasonable conservatives look bad simply because both the Nazi and the Communist mistakenly claim the Nazis are rightists?

All true conservatives stand against all types of socialism since real Nazism and fascism are forms of socialism and therefore of the political left wing, not the right. Those who are conservatives are aware that the difference between Brown shirt fascism (Nazism) and Red shirt fascism (Communism) is only in the color of their shirts. Underneath, they are all socialists. The Nazis, of course, love to claim that they are of the right. This is a label which no semantically honest person will permit them. Socialism of any kind is of the left. Socialism seeks more government power; responsible conservatism seeks less government power. Socialism tends toward more totalitarianism; conservatism tends toward more individual freedom. People who refer to the Nazis as "rightists" are also playing in the hands of the Reds, for it is they and their ideological cousins, the Nazis, who spread the myth that Nazism is of the right. But some will say that "Nazism is anti-communist, and Communism is of the left." Does it follow that Nazism is of the political right? NO! Professed anti-communism alone does not make a person or a movement conservative! Any revolutionary socialist group is of the left, not the right. Do not ever forget that the word NAZI means by definition, NATIONAL SOCIALIST.

As a movement, American Nazism, although a form of leftist totalitarian socialism is not equally as dangerous as Communism. Communism is more dangerous because it is a subversive movement of size with at least two major motherlands, Russia and China, to give it massive military, economic and political backing. Nazism is a miniscule movement without a homeland.

What is the danger posed by the presence of the Nazis in our Glendale community? First, their presence will draw the fire of various racial groups upon this area. Nazism will only inflame racial strife at a time when constructive solutions are needed in this critical matter. Nazism is in this sense, a danger. Second, Nazism will be a tool to discredit the responsible anti-communist resistance through guilt by association due to the widespread public acceptance of Nazism as of the extreme right.

For example, the Nazis are currently distributing literature purportedly written by Conservative Citizens of Glendale in sympathetic support of the Nazis in Glendale.

Isn't this an obvious smear technique against true Constitutional Conservatives?

WHAT DO OUTSTANDING AMERICANS SAY ABOUT THE NAZI PARTY?

ROBERT MORRIS

"Actually, Nazism and Communism are closely allied totalitarianisms; they actually started World War II in concert. They are on the same side of the political fence, not on opposite sides. The role of Rockwell, if it is understood, will clearly show this as he goes on his huckster way, supplying the proof of the Communist's false or grossly exaggerated accusations"

SHOCKING! UNBELIEVABLE!

BIRCHERS ACTUALLY CLAIM...

RIGHTISTS ARE CANNIBALS

See For Yourself! Just Look At This Full Page Ad The Birchers Put Out In Los Angeles

Don't believe it? Sound absolutely CRAZY?

Well it IS crazy. But take a look at the photographic reproduction at the left. It is a reduced but exact copy of a full page newspaper advertisement taken by the Birch Society to attack the American Nazi Party in the Los Angeles area.

Captain Forbes, his wife and babies and the brave lads out there with them have been fighting for their very LIVES in the new headquarters in Glendale, California. They have not attacked the Birch Society.

1 Yet here is the Birch Society spending over $375 on a full page newspaper ad attacking us and lying to those millions of people that we, -and all right-wingers, -are "Cannibals" who "practice the eating of human flesh"!! They claim WE are trying to discredit the right-wing! Can you think of anything more ridiculous or calculated to discredit the right-wing than to claim it believes in CANNIBALISM? Could JEWS beat it?

2 At (2) we have the Birchers claiming that WE are "stirring up trouble" because we always try to get out and oppose the reds wherever the REDS stir up trouble FIRST, and that we are therefore "Communist plants". By this same screwy reasoning, General Lee was a "Union Plant", because every time General Grant and the Yankees appeared, there was General Lee!

3 At (3) The Birchers give us a glimpse at the REAL purpose behind this vile ad and their hysterical attack. They admit that our presence will "draw the fire of various racial groups" (guess WHICH ONES), and say that "constructive solutions" to these problems are needed. That "constructive solutions" bit is right out of the bag-of-tricks of the communists, and every time they beat down White Christians and turn towns over to niggers and Jews, it is called a "Constructive Solution",(such as the Civil Rights Bill.)

4 At (4) they call on stalwart Robert Morris, who used to be a good man, to blast me again, although I have already called this gentleman to account for such lies before. We do not deny we are a threat to the Communists. We are out to try them for treason and get rid of them, not talk about them. Since this upsets the Communists, Mr. Morris and the Birchers try to get my fellow Americans believing I am actually HELPING the worst enemies our Race and Nation ever had.(over)

This John Birch Ad Discredits The Right-Wing Worse Than The Reds.

Why have they done this crazy thing? WHY?

Capt. Forbes, his brave little wife and babies and his fighting young men are battling to SURVIVE out there in the new Headquarters. Flaming gasoline is poured down the chimney. Molotov cocktails are fired from all sides. Mobs have rushed the place, and tried to break in. On one occasion, a window was smashed and the glass showered down on little Thora Forbes, 2, sleeping.

In spite of all this, they are succeeding so enormously and dramatically that the Party has captured the imagination of the PEOPLE out there. Every time the commies and race-defilers show up, our brave lads are there to defy and expose them. We have spread the truth that Communism and race mixing are JEWISH on TV out there so much that it is a household slogan.

In spite of brutal poverty, abandonment by the faint of heart, unbelievable persecution by the city officials (they wouldn't turn the lights on upon payment of the usual fees, - even when Mrs. Forbes was on the point of having her third baby), -in spite of all this and much more, our tiny band on the West Coast has raced past the millionaire Birch Society and most of the rest of the right-wing. We have become the hottest subject in the area, and every teenager discusses the Jewish and Communist problem now as has never happened before. We have won the YOUTH, something the talking and literature "societies" could never do.

So these callous, cruel and cowardly Birchers, instead of being glad that somebody was doing well, ATTACKED, -tried to STOP THE SUCCESS!
I ask every patriot who sees the suicide and madness in this attack upon our hard-pressed fighters out there to chip up a special fund to allow us to buy a page to ANSWER these fakers and liars. Cost of a full page is approximately $ 350. I can write such a smashing documented refutation of this crazy bunch of lies and smears that Glendale patriots will respond with MORE than that to help the brave kids out there. This is a special, super-special case! Please make a SPECIAL, EXTRA effort on this one!
I will reprint our full page ad in the next ROCKWELL REPORT, and it will go around the world! It will do more good than ANYTHING else you can do to force these rightwing COWARDS to quit attacking their own side.

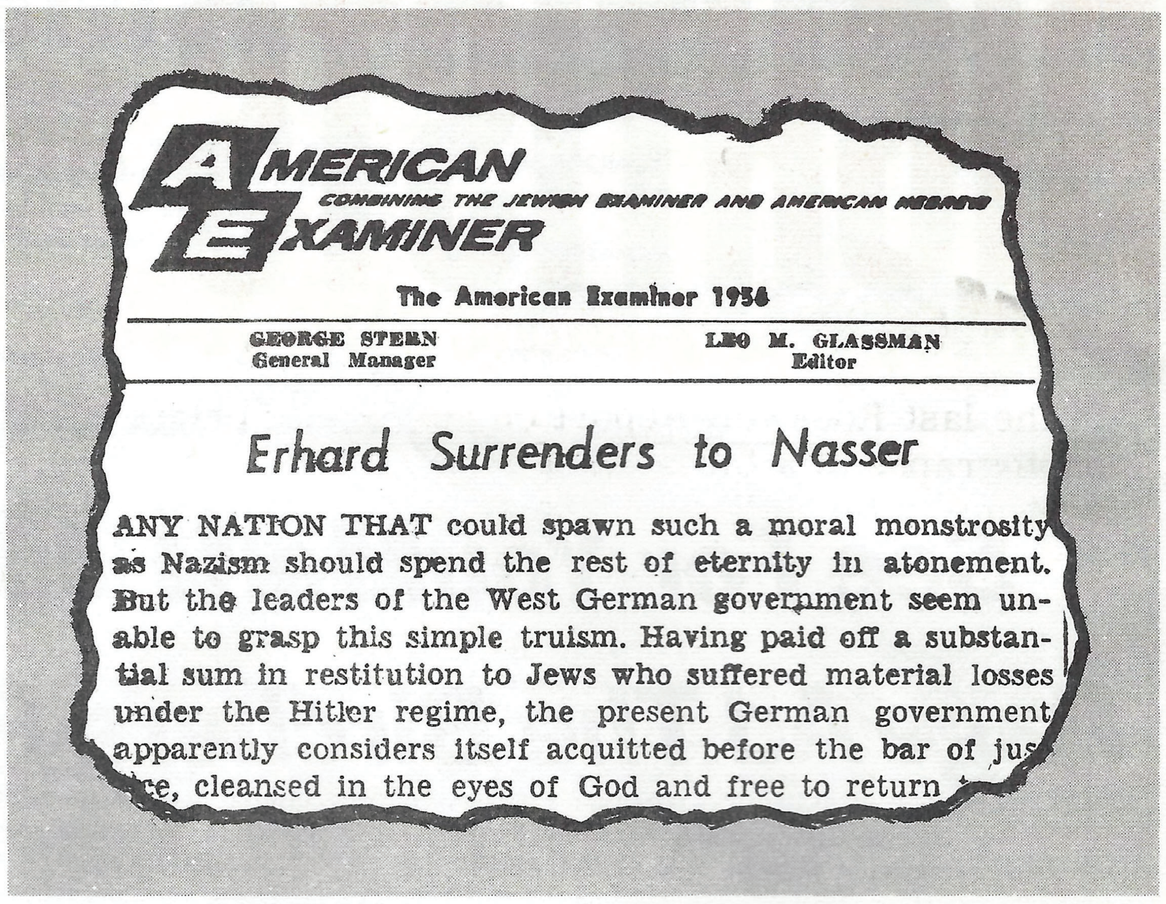
Jewish Hate

The Jews just manipulated the Catholic Church into "clearing" them of killing Jesus Christ, on the grounds that TODAY's Jews didn't do it, it was EVERYBODY's guilt, etc etc.



AMERICAN EXAMINER
COMBINING THE JEWISH EXAMINER AND AMERICAN HERALD

The American Examiner 1956

GEORGE STERN, General Manager — LEO M. GLASSMAN, Editor

Erhard Surrenders to Nasser

ANY NATION THAT could spawn such a moral monstrosity as Nazism should spend the rest of eternity in atonement. But the leaders of the West German government seem unable to grasp this simple truism. Having paid off a substantial sum in restitution to Jews who suffered material losses under the Hitler regime, the present German government apparently considers itself acquitted before the bar of justice, cleansed in the eyes of God and free to return

Now read this photo-reprint of the first part of an editorial in the leading Jew newspaper, "The American Examiner". I suggest that enlightened patriots keep this bit of evidence handy. I plan to do so. . . .The next Jew who self-righteously moans that I mustn't blame HIM for all the Jew spies and Communist leaders will be shown this bit by the Jews calling it a "simple truism" that ALL Germans must be punished for Hitler for ALL "ETERNITY".

If this is not pure, unadulterated, burning HATE, --I have never seen any.

Not Surprising

On a plane the other day on my way to a speaking engagement, I read a book about the World War II OSS.

The man who wrote it explained that the most deadly invention developed by this organization of World War II was a powerful rifle which was so completely silent that the author fired four rounds from it into a sand-bag in President Roosevelt's office while the President was on the telephone and Roosevelt never even noticed or knew about it until the agent showed him what he had done.

Can you imagine what could be done with such a deadly and silent weapon?
The pay-off was the author's statement that all of these deadly, secret and silent weapons disap-

peared immediately after World war II--AND DID NOT REAPPEAR UNTIL THEY WERE IN THE HANDS OF THE JEW TERRORIST ORGANIZATION, THE "HAGANAH" IN ISRAEL, WHERE THEY WERE USED TO MURDER THEIR BRITISH PROTECTORS!

The author, with pitiful naivete, wondered how the Jews managed to get hold of these weapons.

I wonder if any reader can possibly imagine how this could have happened?

More On Malcolm X

In the last Rockwell Report on Selma, we printed photographs of a threatening telegram Malcolm X sent me in the Selma, Alabama jail.

No sooner was the Report mailed, than the usual little minds went to work like bed bugs crawling out of cracks in the chamber pot to "expose" me as a "fraud".

"Rockwell had the telegram sent to himself" these stay-at-home warriors explained and wrote in their little sheets.

For the benefit of those who must listen to such people or read their usually illiterate journals, we reprint an Associated Press dispatch.

'Hottest Year' Lies Ahead, Malcolm Says

TUSKEGEE, Ala., Feb. 4 (AP)— A former Black Muslim leader, Malcolm X, says 1965 will be "the longest and hottest and bloodiest year in the history of race revolution."

Speaking at Tuskegee Institute, he told 3,000 persons — most of them Negroes — that the American Negro could not take his problems "before the segregationist - controlled courts and Senate."

"We must take it before a world court," he declared Wednesday night.

He read from a telegram sent to the leader of the American Nazi Party, George Lincoln Rockwell, when Rockwell was in Selma recently.

It said in part that if Rockwell and his Nazis continued to deny rights to Negroes they would be met with "maximum physical retaliation by those of us who are not handcuffed by a policy of nonviolence."

"That," Malcolm X said, "is the only language a racist understands. The moral approach is lost."

TURNING to the press, the Negro leader said it was used "not to help you and me, but to justify actions."

After breaking with the Black Muslims, Malcolm X formed the Organization of Afro-American Unity, which strongly emphasizes black heritage and nationalism.

"As the militancy of the Africans was stepped up, the militancy of the Afro-American was stepped up," he said, referring to the African anti-colonialism movement.

We might also mention Malcolm X was on a TV show waving a copy of his filthy telegram and boasting what he would do to me.

I will close this section on Malcolm, pausing to wipe away the tears as I think how he was cut down in the very flower of his nigger youth, by pointing out that Malcolm always preached "Back to Africa" (in which project I was willing to help), -until he went OVER there to visit his progenitors .

I am not so sure Muslims killed him. I think Malcolm was so popular among the niggers and so hot to fight that he was threatening to awaken the American White Man prematurely and thus louse up the communist timetable for revolution, which calls for a few more years of "brotherhood" riots while the "brothers" get ready to slip the "hood" over our heads. The reds knew the Muslims would get the blame, and this would get the two nigger groups killing each other off.

Cops & Robbers.... Conservatives & Jews

One of the oldest plots in the world is the guy who is a member of a gang of crooks who has a brother who is a cop.

Both brothers know that, sooner or later, one is going to wind up shooting the other.

But that's not all. Usually, the gang demands "proof" that the criminal brother is "loyal" (to the gang). And the "proof" takes the form of a demand that the crook shoot the cop.

The crook who DOES such an unnatural and vicious thing gets a lot of lip-service from his fellow crooks for his "loyalty". But every one of them knows in his heart that a man who will shoot his own brother has the blood of the RAT flowing in his veins. He is a pitiful object of secret disgust. And he himself is privately the most disgusted and unhappy.

It is just so with the "conservative" who viciously attacks the "anti-semite" and the "racist" to "prove" to the Jews that he is "loyal" to Jewism. When Hargis and Buckley and Welch blast Gerald L. K. Smith, Ron Gostick, Don Bell and Wesley Swift because the latter are "hate mongers", "neutralizers", etc., they are precisely like the gang member who shoots his own cop-brother to stay in good with the gang.

And when Gostick, Bell and some of the others attack **ME**, they are committing the same crazy FRATRICIDE--brother-murder, to "prove" they "ain't Nazis".

Conservatism MUST, inevitably, lead to Anti-Semitism, because if you are an effective Conservative, you will find every organized Jew attacking you almost as bitterly as if you were Hitler himself, --as they did to Joe McCarthy.

And Anti-Semitism, in turn, MUST, inevitably, lead to lead to what is usually called "Nazism", because if you become an EFFECTIVE "Anti-Semite", you will discover that you cannot remain peaceful about it. The Jews will attack you with PHYSICAL TERRORISM. Then you must either quit or fight back. The instant you fight back, you are forced to use the "methods" called "Nazism", and the Jews go all out to BLAST you as a Nazi. You will need young fighting men to keep you ALIVE while you preach the truth about the Jews in the streets and REACH the people. These will be called "stormtroopers". And the Jews will NEVER "compromise". They demand TOTAL domination of everything and everybody, and to oppose them, you wind up having to KILL the Bolshevik and Zionist terrorists.

The Jews KNOW this, and so do most right-wingers. The Jews act in accordance with this knowlege. The right-wing does not. The result is that 99% of the right-wing spends about 50% of its time, money and energy "proving" that it isn't "Nazi". And their favorite way of "proving" that lie is by attacking the American Nazi Party!
When a gang member fires a bullet at his brother, the cop, he is not just shooting at the "other side". He is struck in the heart, fatally, by his OWN bullet.

When a "conservative" or "non-Nazi, anti-Semite" sees one of us "dirty Nazis" fighting for our lives against the rampaging Jews, Communists and niggers in the streets and attacks us, he is NOT shooting at the other side when he attacks us, no matter how much he tries to "prove" that Communism and Nazism are actually the same thing. He damned well knows better.

Every single lie fired at anti-Semites by kosher conservatives is aimed at their own, cowardly, conservative hearts.

And, in turn, every single lying attack on me by both "conservatives" and "nice" anti-Semites, drives a 30-30 bullet straight into their OWN hearts. When a battler for truth fires a LIE at his own brother, it destroys his self-respect, his courage, his honor and his feeling of righteousness--the most powerful sword and buckler in the world.

The Communist Jews are a gang of CROOKS, and every "conservative" in his right mind knows it or senses it. And you don't stop veteran crooks by "educating" them or "rehabilitating" them. You stop them by blasting them to hell with automatic weapons fire, or by chaining them up permanently in a dungeon after trials and convictions.

We are not going to stop the world's MASTER crooks, the Jews, and their nigger-Communist army, by any fancy-pants "education" or prayers or anything else, eventually, except legal FORCE--trials and convictions and the GAS CHAMBER.

There is not a conservative ALIVE with the guts and drive to accomplish THAT. Yet that is precisely what every word they write is directed TOWARD, as inevitably as letting go of an apple in your hand must surely be followed by the apple falling to the ground. The inevitable development of "conservatism" is "anti-Semitism". And the inevitable development of "anti-Semitism" is NAZISM.

Buckley, Fineburg, Jews & Co.

I am sure readers know that I do not--could not--reprint even one thousandth of the newspaper and magazine smears about us. Nor can I any longer concern myself much with the relatively little-known lies of those in the rightwing, like Elizabeth Dilling, who is STILL blasting away that I am some kind of dirty "pharasee"!

But once in a while the enemy comes up with a real LULU--something too juicy, or too funny, or too enlightening to pass up.

Such an item is the recent blast at me by Bloomers Buckley in papers all over the world, in his syndicated column. (Buckley's ability to sell his column to Jew newspapers all over the world reminds me of certain gorgeous women who show up with magnificent ermines and Rolls Royces, but no visable means of support.)

Herewith we reprint the column by Buckley, which appeared even in Ralph McGill's Atlanta Journal and Constitution!

Here we have "freedom lover" William Buckley joining that sterling Jew, Dr. S. Andhill Fineburg, of the American Jew Committee, who claims the distinction of inventing what is euphemistically called the "quarantine" of bigots. Basically, Fineburg's "invention" is the same product "invented" thousands of years ago, and more honestly called "censorship". The guys who are "in" and don't appreciate any criticism from the guys who are "out" either shoot them up or shut them up--as is done by Mr. Castro in Cuba.

Mr. Buckley, now being printed by Ralph McGill, is now "in".

And so now, practically wetting his bloomers and stamping his dainty feet in exasperation at all the publicity Colin Jordan and I are getting in spite of Fineburg's and Buckley's policy of "quarantine", Pretty William demands that the American press quit being so lavish with the publicity to me.

Apparently Mr. Buckley is not satisfied with the fact that, in the last month alone, we have pulled off about five major feats which were genuine

England's Nazi Leader Just Another Eccentric to British Press

American Newspapers Could Take Lessons on the Treatment of George Lincoln Rockwell

By WILLIAM F. BUCKLEY JR.

LONDON—The papers here carry routine accounts of the antics of one Colin Jordan, identified by the Times as "the plump British fuehrer."

Mr. Jordan intruded his perverse self in the by-election featuring Mr. Gordon Walker, the Foreign Secretary who was defeated last Fall even while his party took power, and was just defeated again for what was considered a safe seat in Parliament.

Said Jordan is England's George Lincoln Rockwell, though it is significant that his name is not nearly as well known outside England as Rockwell's is, and for the obvious reason.

The press of the world is more unfriendly to the United States than to England, that being the fashion, so that Jordan can practice his perversities with relatively little international attention, whereas Rockwell's movements are studied about as closely as though he were the American ambassador of Adolf Hitler.

COLIN JORDAN

But another version for the difference in the treatment of the two men goes back to the realtive treatment of them in the press of their homelands.

Jordan's activities are treated with that benign toleration that distinguishes the Englishman's attitude towards eccentrics. The Times, whose reputation is that of the stuffiest newspaper in the world, remarks in its treatment of Jordan that he interrupted the foreign secretary's speech by performing a Hitler salute, that someone thereupon threw a lighted firecracker onstage, and that a general scrap ensued.

"Mr. Jordan and his acolytes were (eventually) . . . pulled out, still struggling, like stubborn teeth being extracted. One man took off from 6 feet away and dived head first into the melee as enthusiastically as a springbok loosed forward, going into a maul.

"The leader of the Nazis, bleeding profusely from mouth and nose, disappeared from the hall, feet not touching the ground, trying to shout 'Heil Hitler.'

The platform party reassembled apprehensively. George Brown (the English minister of economic development), with wagging finger and obvious enjoyment, dealt massively with the interrupters, isolating them, getting them to make their points singly, and then shooting them down in flames. . . , The police made no arrests."

The urbanity of this treatment is in refreshing contrast to the battlefront treatment so frequently given to the

GEORGE LINCOLN ROCKWELL

movements of our own Rockwell, a man manifestly cuckoo, whose rodomontade happens to take the form of vulgar and brutal pro-Nazi posturing rather than more conventional forms of lunacy.

The British have a great deal to teach the American press on how to deal with such as Rockwell. It is, one supposes, necessary to cover the most conspicuous exploits of Mr. Rockwell. Hardly necessary, I should think to treat them with that sober-seriousness that encourages the wild exaggerations of his importance and that of his handful of fellow cretins that some foreigners attach to them.

A friend of mine recently returned from Monrovia, Liberia, and showed me a banner headline in the paper there as follows: U.S. WILL DEPORT ALL NEGROES IN 1972. There followed in type of the regular size, the lead sentence, to wit: "Mr. George Lincoln Rockwell, leader of the American Nazi Party, announced today that he expects to run for president and be elected in 1972, and that the first step he will take is to deport all American Negroes to Africa . . ."

It being about as likely that Rockwell, or anyone with Rockwell's views, will be elected President of the United States as it is that the cow will jump over the moon, the banner headline reduces to an essay in paranoia, encouraged, let us howeve; note, by the grave attention that some of the American press devotes to this particular wild man and his followers.

NATIONAL NEWS--but which were utterly and totally blacked out by the major news magazines and much of the press. As an example, in spite of the eternal charges that the Jews use we Nazis to smear "patriots" by association, and in spite of regular huge articles about Hargis, Welch, Schwartz, Courtney, Buckley, etc., who rarely do anything actually newsworthy, there has NEVER, not ONCE, been a major news story about us in Life, Look, Newsweek, U.S. News, etc., and, in six years, Time has reported only ONE of our major activities, my trip to England through Scotland Yard security. Nor are we ever so much as mentioned in the eternal articles about Welch, Buckley, Courtney and the other conservative creeps.

An example of the fantastic power of the Jew blackout on us is the total failure of any national newsmagazine even to mention the feat of Captain Robert Lloyd in getting onto the floor of the U.S. House of Representatives in blackface, shouting "Ah's de Mississippi delegation!" Huntley-Stinkley didn't mention it, and it rapidly disappeared from frontpages in later editions as the Jews went to work.

And yet here is Mr. Buckley stamping his slippered little tootsie that we get too much and too good publicity!

For those who still can't quite see my argument, I recommend a look at the photographs accompanying this Buckley column. The Jews took that photo through a telephoto lens one day in the middle of a battle with Jew War Veterans, FIVE YEARS AGO, in 1960, when I was still smoking cigars--and it is absolutely the WORST picture they have been able to come up with in all the long years during which they have taken millions and millions of photographs of me.

Buckley, finally, also fails to mention one EXTREMELY important fact.

In spite of all the fun he makes of Colin Jordan, and his "disgust" for our Nazi "posturing", etc., etc., Mr. Buckley does not report that until Colin Jordan got into the picture, the British (Socialist) Labor Party had the election wrapped up. The "conservative" running against him (just like Bloomers Billy) was far too feeble to dare to mention RACE. And the district involved was redder'n hell on economic issues, labor, etc. The district hadn't voted conservative in fifty YEARS, not even for Winston Churchill. The ONLY way it could have been won was on the NIGGER question--and ONLY Colin Jordan, the dirty Nazi, dared to raise THAT question. The cowardly conservative creep got ELECTED--solely thanks to us dirty Nazis, because Colin Jordan convinced those factory workers that a vote for the Labor man was a vote for MORE NIGGERS.

See the latest STORMTROOPER for my editorial on this subject in full.

Raging Jews

Here is a photostat of a bill before the U.S. House of Representatives.

89TH CONGRESS
1ST SESSION

H. RES. 83

IN THE HOUSE OF REPRESENTATIVES

JANUARY 6, 1965

Mr. JOELSON submitted the following resolution; which was referred to the Committee on the Judiciary

RESOLUTION

Whereas on January 4, 1965, the proceedings of the House were violently interrupted by the unauthorized intrusion upon its floor of one Robert Lloyd in costume and disguise; and

Whereas the said Robert Lloyd did make his said intrusion with force and violence; and

Whereas the said Robert Lloyd contemptuously addressed this House without leave; and

Whereas the toleration by this House of so gross a contempt would invite a repetition of such offenses and would be manifestly inconsistent with the discharge of its legislative functions and duties: Now, therefore, be it

Resolved, That said Robert Lloyd be certified by the Speaker to the United States Attorney for the District of Columbia for prosecution for contempt of Congress.

v

Representative Joelson of New Jersey, a Hebe, is trying to get a SPECIAL LAW passed to send Captain Lloyd to prison for a year because he successfully smashed the nigger attempt to unseat the legitimate Mississippi delegation and replace it with a gang of pro-Red coons.

Meanwhile, as shown elsewhere in this Report, the Birch Society and the rest of the kosher conservatives, not to mention Mr. Fields, are claiming we are WORKING for the likes of Jew Joelson!

Jew Domination Facts

People are ALWAYS asking me "What can I DO?"... but they don't always seem anxious to accept suggestions involving work.

The "rightwing" in general should be ashamed of itself for its dismal failure to do its "home work"--to get down and dig out the facts it is always talking about. Usually, rightwing publications simply COPY their facts--often photographically, from other papers--which in turn have copied them from still other rightwing papers. I know of one publication which has almost LIVED on Frank Britton's wonderful "American Nationalist" paper--for years! Britton DID do his "home work", and dug up smashing facts which nailed the Jews beyond argument. The paper I have in mind has been simply clipping Britton's articles and reproducing them as its own, for years. The facts are good--but many are out of date! It is time to bring the facts on Jew domination of American life up to date! For example, Britton's exposure of the domination of Hollywood by the Jews consists of "exposes" of many film companies no longer even in existence, such as RKO!

While waiting for an appointment in Miami the other day, I spent a few hours digging in the Miami Library. I got Standard and Poors "Directory of Directors" and "Moody's Manual" and looked up all the giant movie corporations for 1964, and got the names of their top officers and directors.

Here are the results!

DESILU PRODUCTIONS: (20 million dollars per year) ... "Lucille Ball" MORTON and another kike named "Weitzman".

Music Corporation of America: ($ 188 millions) ... Isidore Stein, Chairman of the Board; Milton Rackmil, Vice Chairman. Directors: Wasserman, Dorskind, Lupsky, M. Rosenthal, H. Rosenthal, Schreiber, Shrier and Werblin.

CBS: ($ 509 millions) ... Chairman of the Board, William Paley (Palinsky).

COLUMBIA PICTURES: ($ 116 millions) ... Abe Schneider, Jaffe, Frankovich, Solomon Briskin, Solomon Schwartz, Rubin Jackter, Stulberg, Schneider, Kramer, Art Levy, Abe Sonnabend (head of American Jew Committee) and Mendel Silberberg.

PARAMOUNT: ($ 111 millions) ... Adolf Zukor, Chairman; Abe Weisl, Chairman of the Executive Committee; Barney Balaban, Weltner, Jacob Karp, Harry Nadel, Jerome Rickman.

TWENTIETH-CENTURY FOX ($ 122 millions) ... Skouras (only Gentile); Zanuck, Joe Sugar, Gimbel, Levin, Metzler and Legman!

UNIVERSAL PICTURES: ($ 59 millions) ... Milton Rackmil, David Lipton and Abe Schimel.

WARNER BROS.: Jack Warner (Jew, of course); Benjamin Kalmenson, Cohen, Goldstein, Lederer, Levinson, Meihofer, Semenenko.

REPUBLIC PICTURES: ($50 millions) ... Victor Carter (real name?); Sidney Solow, Bloomberg, Goodman, Zeckendorf, Sr. (the big real estate Jew); Zeckendorf, Jr., Abe Fisher.

TRANS-LUX, INC. ($5 millions) ... Furbur, Brandt, Fromme, Jacob Starr, Milton Weishman, Emanual Weiner, Melvin Starr and Jerome Kohlberg, Jr.

FILMWAYS, INC.: ($9 millions) ... Martin Ransshoff, Chairman; Brodsky, Steiner and Simon.

I also took about five minutes looking into "Who's Who in World Jewry" and discovered the following juicy bits:

The guy who married Eugene Meyer's daughter here in D. C., and inherited the vile Washington Post (which the great Joe McCarthy referred to as "the Washington edition of the Daily Worker"), I always thought was a shabbez Goy named "Alfred Friendly", who has been mixed up in one vile Red and race-mixing scheme after the other. Seems Alfred's REAL name is ROSENBAUM!

Also found "FPA", Franklin P. Adams of Information Please, listed as Moses Schlossman, of the Tribe.

In my last two minutes in the library I found the Jew "Who's Who" proudly listing "HERBERT APTHEKER" as one of the noble examples of the genius of God's Chosen People, with a picture of this camel-faced Hebrew. For the bnefit of those who are unfamiliar with the stars in the Communist movement in the U.S.A., Herby is one of the TOP Reds in the U.S.A., and goes around addressing colleges and universities on behalf of world Communism. (Can you IMAGINE Robert Welch or Buckley putting out a "Who's Who in World Gentilry" and including ME--or even Gerald L.K. Smith?)

The little pile of factual "GOLD DUST" printed herein was "distilled" from an ordinary library in a few hours. I do not have time to get one millionth of what is available, and which desperately needs to be dug out.

Those who keep asking "What can I do?" and MEAN it, can write me and I will pass along full and complete instructions on how to compile a deadly list of the way the kikes have seized American business and culture. If somebody willing to work will volunteer to do this, somebody who has the time, I will print the results in a SHOCKING report which will wake up more sleepy Americans than a million years of showing the Commie activities of the Jews. Most Americans just don't give a damn about political affairs. But show them that the Jews are ROBBING them and SEIZING their MONEY and REAL ESTATE, etc. (as the Jews are doing), and Americans will be ready to help build the gas chambers.

Jews Forced To Change Line

For years we were forced to listen to the sickening hypocrisy of the Jews about what is written in MEIN KAMPF.

"If only, oh, if ONLY, the world had read MEIN KAMPF, groaned the Chosen Ones--we could have stopped it in time! Every man, woman and child should read this terrible, vicious book of hate, so that it may never happen again!"

Until 1958, when I hung up the Swastika in Arlington, that was the official line of Jewry, democracy and their ally, Communism. MEIN KAMPF was a book by a raving lunatic, and everybody ought to read it. Of course the Jews knew, nobody ever DID read it. They talked about it and lied about it all the time, and wrote vile phony "quotations" from it--but they didn't PROMOTE it. No sir, they promoted JEWISH books about Nazism, like "The Rise and Fall of the Third Reich" by Jew William Shirer--but they didn't push SALES of MEIN KAMPF. They just kept repeating "Everybody ought to read it!" That way, people really believed the Jew lie that MEIN KAMPF is a wild, raving book of hate.

But then, little by little, swimming against the raging rapids of Jew lies like a salmon fighting its way up stream, jump-by-jump I managed to get people here and there to READ that book. They discovered, as I had, that it is brilliant, logical, hard-boiled and deadly accurate. It turns folks into NAZIS, if they take the trouble to READ it instead of always parroting the Jew lies about it.

First I noticed that college libraries were getting rid of it. Here in D.C., the Catholic University was the first. They THREW OUT dozens of Nazi documents and books, including MEIN KAMPF (and I got some of them through friendly professors!).
Then more and more schools and colleges did the same, and I got the reports. Jews actually stole a lot of copies in places like New York. My own book, "This Time the World", disappeared from the Library of Congress.

Bit by bit, plugging everlastingly away, we finally created enough interest in Nazism to get more and more students and conscientious readers to try to read that book for themselves, at last.

The predictable result was a growing number of quiet but convinced National Socialists in schools, colleges, businesses and homes all over America. They wore no Swastikas and almost none of them dared to communicate with me, yet--but they began to SEE and THINK for the first time in their lives.

This has forced the Jews to reverse course on their "Everyone-ought-to-read-Mein-Kampf" bit. They can't come right out and demand that a book be STOPPED, of course, but they are doing the next best thing.

Outside of Israel, the most Jew dominated nation on earth is Germany.

What Germany does is what the Jews demand. It's right in their Constitution.

They are still paying billions in "reparations" to Israel for gassed Jews living it up in Tel Aviv and New York City.

So now they have rigged things so that the copyright to MEIN KAMPF is in Bavaria--and Bavaria won't permit any more copies to be printed.

SUN-SENTINEL, Thursday, January 28, 1965 11C

Printing May Halt For 'Mein Kampf'

MUNICH, Germany. (AP) — If Bavaria has its way no more copies of "Mein Kampf" will be published.

Authorities have filed copyright claims in Mexico to stop further reprints of Adolf Hitler's book on the Nazi movement.

By Allied law, Bavaria became heir to Nazi property in 1945. So this state holds the copyright for Mein Kampf — "My Struggle."

"By filing our copyright claim we do not want to make money," says Dr. Franz Hadersdorfer of the Bavarian Finance Ministry.

"A London publisher offered to pay us royalties. But we turned down that offer. We just do not want any further reprints. We do not want to promote any Nazi books."

There are reprints aplenty, according to Hans W. Bentz, who runs an international bibliographical institute in Frankfurt.

New editions listed by Bentz include an Arabic printing in Beirut, English in Boston, French in Paris, Greek in Athens, Spanish in Mexico and Barcelona, and Japanese.

During Hitler's lifetime, "Mein Kampf" was translated into 16 languages. The total number of copies printed in Germany and abroad is estimated at slightly more than 10 million.

Mein Kampf is not a rarity, one institute historian commented.

The opinion is disputed by Hans Benecke, who runs a Frankfurt shop for second-hand and rare books.

"As far as my shop is concerned, demand exceeds supply of Mein Kampf," he says.

I've got some news for the Jews, news which shouldn't be news to these masters of selling "banned" books.

Make MEIN KAMPF just a wee bit more "naughty" and hard to get--and I won't have to promote it anymore.

In short, kikes, no matter WHAT you do, you cannot suppress the TRUTH.

People will read MEIN KAMPF and what happened in Germany will happen here sure as shootin'--or maybe I should say "sure as gassin' ".

"States Rights" Again!

As I dictate this in Miami, February 11, Martin Luther Coon is finishing off Selma, Alabama, where Blacks greatly outnumber Whites. Because of White foolishness, lack of unity, and cowardice in the face of the organized Jewish merchants and their prostituted city administration, there is no doubt Mr. Coon will succeed in getting most of Selma's niggers registered and voting.

THIS WILL MEAN THAT NIGGERS WILL BE THE MAJORITY IN THE AREA AND WILL WIELD THE POLITICAL POWER OVER WHITES!

When this occurs, the county will obviously be pro-nigger and anti-White.

Now I should like to ask the "states rights" fanatics if they are also for "county rights"? Will they now tell me they believe in the right of Selma and its surrounding counties to persecute the Whites without interference from the central government of the state in Montgomery?

Like hell!

My point in writing this is to try to make the "states righters" see the suicidal position they have taken up. If one insists on "states rights"--and a state becomes pro-nigger and Jew, then that state has the right to persecute and dominate our White Christian people! To my dying day I will never accept any such thesis!

It is not "big government" or "federal" government which is bad, it is BAD GOVERNMENT which we must eliminate.

Once we can put good White Christian fighting men in that White House, I want to see the states righters who will insist that Selma has the "right" to persecute White Christians and be a nigger-run county and city while we sit in Washington respecting their "rights".

"States Rights" is a defeatist concept based on the idea of a sort of racist "Maginot Line" which Southerners hope to erect to protect themselves from Jews, niggers, peace-creeps, liberals, Com-

munists and demagogues like Johnson in Washington. But we can never win with any kind of defeatism, including "states rights".

What we must do is BECOME the Federal Government and then be damned to any gang of Communist Jews or niggers who manage to force their way into technical, political power in some state or county.

Ask yourself this: If the Jews and niggers win in Mississippi and gain political power there, and then we could manage to put George Wallace in the White House, do you honestly believe that it would be right to respect the nigger "government" of Mississippi in its "right" to dominate and destroy the White Christian civilization of that state?

And When The Breezes Blow

The title of this comment is part of a Gilbert and Sullivan masterpiece of comic opera, in which the following line, sung by the "Ruler of the Queen's Na--vee", is "I generally go below". In short, when it gets rough, this comic opera admiral hides in his cabin.

From Canada comes the latest example of this sort of comic opera Jew fighting.

One of the first rightwingers to attack me with vicious and unfair lies was a man who had profited by my work, Ron Gostick. Gostick had reprinted and sold, without my permission, my poetic fable of the "Ducks and the Hens" about the Gentiles and Jews. (Reprinted at the end of this article.)

Then, suddenly, he began to print fantastic articles that I was "working for the Jews", etc., etc., etc. No amount of offers to prove my sincerity could bring so much as an answer from this gentleman in Canada--as usual in these courageous smears by my fellow Jew fighters.

I finally gave up even trying to stop the attacks by reason, and paid no further attention to this stabbing in the back all the time.

Then the Canadian Broadcasting Corporation put me on their program "This Hour has Seven Days", and we did a bang-up job on the Hebes, if I do say so myself. The Yids turned out and tried to tear down the studio, raged in Parliament and generally acted in the immemorial manner of Jew lovers of free speech.

Overwhelmed, apparently, after actually seeing me in action smashing the Jews on his own TV, Gostick wrote a cheerful and complimentary little last-minute article in his bulletin that I had obviously been "too much" for the interviewers, and he would comment in full in the next issue of his paper.

A dozen people from Canada and the U.S.A., and even from England, sent me copies of this little piece, and all of them were thanking God that at last the foolishness of fellow-fighters attacking each other was about to end. They--and I--believed Gostick had finally been cured of his madness in regard to our desperate and successful fight to accomplish what so many rightwingers always TALK about.

But no such article ever appeared. When Gostick did comment about the show, it was to completely ignore my part in it. There was neither smear nor praise. Just silence.

Today, in the mail, I have received his final action, a "Confidential Report".

I am not mentioned--but he is BACK AT THE OLD STAND THAT THE NAZIS ARE BEING USED TO SMEAR HIM!

I have absolutely reliable information from one of Gostick's co-workers who admires our operation that Gostick took in BASKETFULS of money right after that TV broadcast I did all over Canada blasting the Jews, Communists and race-mixers. He NEVER had such a boom before.

Gostick HIMSELF admits that letters and money poured in to him as a result of a CBC "blast" showing his address and organization!

He admits that CBC tried to give HIM the opportunity to get on the show, but he was so HORRIFIED that they might put me on the same show, that he stayed home!

All of this is so silly and incredible that I suggest readers who find it hard to believe should WRITE to Mr. Gostick and ask for the "Confidential Report" of January 24, 1965! His address is Box 130, Flesherton, Ontario, Canada.

Had Gostick had the GUTS to take a CHANCE, as I did, and as I do all the time, and GET ON that show--no matter what he might have feared--he would have struck a blow such as the Jews never have suffered up there in Canada. Instead, he will make a few bucks scaring people with what a big conspiracy he beat by NOT appearing! Shame!

"And when the breezes blow, Gostick generally goes below!"

Fable of the DUCKS and the HENS

© 1965 By
GEORGE LINCOLN ROCKWELL

Many many years ago,
When animals could speak,
A wondrous thing the ducks befell
Their tale is quite unique.

Down by a pond dwelt all these ducks
Ten thousand at the least.
Their duckish joys were undisturbed
By any man or beast.

One day down near the entrance gate
There was an awful din.
A hundred hens all out of breath
Were begging to come in.

"Oh let us in!" these poor birds cried
"Before we do expire!.
" 'Tis only by the merest INCH
"That we escaped the fire!"

Their feathers burned,their combs adroop
They were the saddest sight.
They'd run a hundred miles or more
All day and then all night.

"Come in! Come in!" the ducks all quacked
"For you our hearts do bleed!
"We'll share our happy lot with you,
"Just tell us what you need!"

And so these poor bedraggled hens
Amongst the ducks moved in.
"For, after all," the ducks declared,
"We're sisters 'neath the skin."

Before too many months had passed
The hens were good as new.
They sent for all their rooster friends
And these were welcomed too.

To please their hosts these chickens tried
To waddle and to quack.
To simulate the duckish ways
They quickly learned the knack.

This pleased the flock of ducks because
It gratified their pride.
... But hear my tale and learn how they
Got taken for a ride.

The ducks, it seemed,spent all their time
In fixing up the place,
In growing food and building homes
And cleaning every space.

They asked the hens what they would do
To earn their daily bread.
"We'll teach and write and entertain,
"And buy and sell", they said.

And so these hens began to teach
The baby ducks and chicks.
They traded food and eggs and things
With many clever tricks.

They wrote great books and put on shows
Of genius they'd no lack.
It wasn't long 'till chickens owned
The "Duckville DAILY QUACK".

One day a mother duck who took
Her ducklings to the lake,
Was flabbergasted when one said,
"A swim I will not take!"

"Why ducklings ALWAYS swim!" she gasped,
"It's what you're built to do!
"Like bunnies hop, and crickets chirp,
"And cows most always moo!"

"You're NUTS!" her little son replied
"That stuff is all OLD HAT!
"It's wrong for birds to swim ... besides
"It's DAMN cold on my pratt!"

"Oh fie!" the mother duck exclaimed,
"You're talking like a fool!"
Up quacked the other ducklings then,
"He's right! We learned in school!"

"Such lies must stop!" the mother cried,
"Those hens can't teach such lies!
"For sheer ingratitude and nerve,
"I'm sure this takes the prize!"

... But she was wrong, for even then
The hens did thump the tub,
Demanding they be let into
The "Duckville Swimming Club".

"But you don't SWIM!" the ducks exclaimed
"To join, why should you care?"
"That's not the point!" the hens replied,
"To exclude us isn't fair!"

The younger ducks, who'd been to school
Agreed right there and then,
"To keep them out is BIGOTRY!
" 'Twould just be ANTI-HEN!"

Outnumbered by the younger ducks
The old ducks soon did loose,
The hens could join the swimming club,
If they would pay the dues.

That night the Duckville Daily Quack
Contained this banner spread:
"Reactionary Ducks Are Licked!
"DUCKVILLE MOVES AHEAD!"

Down at the Duckville Gaity,
The young set laughed with glee
At cracks about "Old 'FUDDY' ducks"
In burlesque repartee.

Next day the hens were at the club.
A petition they'd sent round.
They objected to the SWIMMING FUND
With fury and with sound.

"You use our dues to fix the pond
"To keep it neat and trim.
"And this is wrong", they said, "because
"You know we do not swim!"

"God help us!" cried a wise old duck,
"These chickens have gone mad!
"We'll take this thing to court, by George!
"And justice will be had!"

But when they went up to the judge,
Imagine their dismay!
A CHICKEN-JUDGE decreed that they
A heavy fine must pay!

"Minorities must have their rights!"
The judge declared right then.
"To use Hen's dues to fix the pond
"Is very Anti-Hen!"

Once more the Duckville Daily Quack
Emblazoned 'crost the page.
"OLD FOGGY DUCKS REFUSE TO SEE
THE GREAT NEW COMING AGE!"

In Duckville's church, on Sunday morn
The preacher spoke these words:
"Discrimination's GOT to stop!
"Remember, we're all BIRDS!"

The wisest duck in all the town
Sat down in black dispair.
"I'll write a book", he thought, and then
"This madness I will bare!"

"Let swimmers swim, let hoppers hop,
"Let each one go his way.
"Let none coerce a fellow bird!"
Was what he had to say.

" 'Twere wrong to force the hens to swim
"So here's the problem's crux:
"It's just as bad for hens to try
"To CHICKEN-IZE our DUCKS!"

"I can't print that", the printer said,
"Twill put me in a mess!
"My shop is mortgaged to the hens,
"THE CHICKENS OWN MY PRESS!"

This worried duck then tried to warn
His friends by speech and pen,
But young ducks fresh from school just jeered
"He's a vicious ANTI-HEN!"

Now up the stream a little way
Was Gooseville, on the lake.
The hens had come to Gooseville too,
But the geese were more awake.

When the hens began to spoil the young,
And Gooseville's laws to flout,
The Geese rose up in righteous wrath
And simply threw them out.

Of course you know where they all ran;
On Duckville they converged.
"We've got to take these REFUGEES",
Was what the hens all urged.

The Duckville Daily Quack declared
"These Geese will stop at naught!
"They plan to conquer all the world!
"Atrocities they've wrought!"

"That's right!" the young ducks all agreed,
"We'll help our fellow birds!
"These Geese have plans to CONQUER US!
"--We've read the QUACK'S OWN WORDS!"

They let the hens from Gooseville in,
The whole bedraggled pack.
------And every hen took up a job,
On Duckville's DAILY QUACK!"

When Duckville's mayor's term was up
The QUACK put up it's duck;
A vain and stupid duck was he,
A veritable cluck!

But when he praised the wild young ducks,
And cursed the evil geese,
The QUACK declared he was "all-wise",
His praise would never cease.

The hens chipped in to help this cluck
Give grain away for free.
The old ducks sadly shook their heads,
The writing they could see.

And, sure enough, this stupid duck,
He was elected mayor.
From this point on, the Duckville Ducks,
They never had a prayer.

The Mayor said, "Gooseville must GO!
"We'll wipe them off the map!"
While Duckville slept, the scheming hens
For Gooseville set a trap.

They called the Geese by filthy names;
They filled their pond with sticks,
They helped the weasels catch the Geese,
And other hennish tricks.

The Geese got mad and threw some rocks.
"It's WAR!" the QUACK announced.
"We ducks must FIGHT those evil Geese
" 'Till they've been soundly trounced!"

The Ducks (who knew not of the tricks
Indulged in by the mayor),
Were filled with "patriotic" zeal,
And pitched right in for fair!

Now when the Ducks had whipped the Geese
The Mayor called "Retreat!!"
"Our HENVILLE friends should really take
"Gooseville's big main street!"

The Hens were back in Gooseville now;
They starved and beat the Geese.
They prayed for "Peace" --but organized
The "Henville ARMED POLICE!"

They drained the Gooseville swimming pond
They "De-Goose-ified" the schools,
They wrung the neck of Gooseville's mayor
On LATELY, MADE-UP RULES.

They formed a council of the Hens;
"UNITED BIRDS" the name.
The other birds who joined the thing
Did not perceive the game.

No sooner had they set this up,
Than they announced their plan
To seize up Swanville as a home
For all their hennish clan.

They took a vote amongst the hens,
--And every one approved!
"Swanville was for HENS!" they said,
--"Way back, BEFORE WE MOVED".

And so they kicked the Swans all out
With Duckville's help and power.
And Duckville couldn't understand
Why Swans, on them turned sour.

By this time, Duckville was a mess,
The young ducks had gone mad.
They stole and laughed at truth and law;
They went completely "bad".

The hens were selling Loco Weed
In every nasty den.
But Ducks who dared to mention this,
Were labelled "ANTI-HEN".

The Hens all preached of "tolerance",
They invoked the "Golden Rule",
But they subsidized the indigent,
The greedy and the fool.

At last the very dumbest ducks
Began to smell a rat.
"This mayor is no good!" they cried,
"And we will soon fix THAT!"

But the Hens had planned for even this.
A candidate they had,
Whom even wise old ducks believed
Just never could be bad.

This Hen-tool duck had whipped the Geese
A soldier Duck was he.
Although the Hens had set him up,
The Ducks all thought him free.

This Hen-tool got elected,
Through ignorance and greed,
Through Hennish lies in press and speech,
Through bribes of "chicken feed".

The Hens now kicked the Ducks around,
Without a blush of shame.
Until the ducks could run the town
In nothing else but name.

They pumped the swimming pond all dry.
They taught the ducks to crow.
While Duckish numbers dwindled,
The Hens began to grow.

The Hens stirred up the happy crows
From out the piney wood,
To fight to mix and marry Ducks
In the name of "Brotherhood".

Things got so bad that fifty Ducks
Who knew of days gone by
Took up their wives and children
And decided that they'd fly.

They flew through storm and tempest.
They froze, and many died.
But on they drove, until, at last,
A lovely lake they spied.

They settled down exhausted,
But soon went straight to work
To build and clear and cultivate,
No danger did they shirk.

Now after many years to toil,
This little band had grown.
The fields around were full of grain
From seeds that they had sown.

The first Ducks now were long since dead.
Their struggles long had ceased.
Through hard work and through suffering
Their joys had been increased.

One day down near the entrance gate
There was an awful din.
A hundred hens, all out of breath,
Were begging to come in.

"Oh, let us in!" these poor birds cried,
"Before we do expire!"
"'Tis only by the merest INCH .....

... This epic really has no end because
No matter how you fight 'em,
Those HENS will show up EVERY TIME,
And so, ... ad infinitum.

NEGROES IN AMERICA--ARE THEY REALLY UNDERPRIVILEGED?

By Howard Ely

Negroes in America supposedly are second-class citizens, have less job opportunities than Whites, are denied "equal rights", etc.

The truth is, American Negroes possess more material wealth, and benefits, and have been presented with more opportunities than any other group of colored people on the face of the globe.

They drive large American cars--Cadillacs, Lincolns, Imperials, etc.

American Negroes in large cities live on welfare. (A book could be written on this one subject alone.) Negroes go to free public schools. (The White Man pays most of the taxes which support the very schools the Negro is trying to integrate!) Negroes have unemployment insurance, and group hospitalization plans on the job.

Negroes born here have American citizenship--a cherished possession of naturalized citizens--taken entirely for granted by Negroes.

No group of White Men behind the Iron Curtain (except the ruling classes) has benefits which will compare favorably with the American Negro's. How many Poles, Russians, East Germans, Hungarians, Czechs, Yugoslavs, Serbs, Rumanians and Bulgarians would gladly trade places with the American Negro?

When we compare the life of the average Asian to the life of the American Negro, we seé immediately the great gulf between them. Only Japan has provided her citizens with benefits which might compare with those enjoyed by the American Negro. As for India and China, how many Chinese coolies receive unemployment compensation? How many Hindus drive Cadillacs and Lincolns?

When viewed from the perspective of world progress, the American Negro assumes the stance of a small, spoiled child with a fistful of lollypops, crying out for one more. He already has more benefits than any other group of colored people, and has more freedom than half the White population of Europe! Is this group of spoiled children really so downtrodden, after all?

New Cuba Menace

Law enforcement officials are well aware of the fact that wherever there are large numbers of niggers and Negroids, there you will find DOPE.

Thus, as Negroes moved into San Diego and Los Angeles, while I was out there, the use of dope among teenagers rose so rapidly that there could be no question about the connection with the niggers flooding the schools.

Now the colored Communists around the world, as usual, led by Red China, are turning this curse of the colored world into one of their most deadly weapons against the White, Western, Christian civilization they are determined to destroy.

Last year, Red China obtained more than 200 million dollars from the sale of herion and it was only through the use of the credits thus obtained that they were able to survive by buying wheat from Canada and other countries who will trade with them while all their effort goes into industrialization and production of weapons.

Castro Cuba, a direct arm of the Red Chinese octopus only 90 miles away from the coast of Florida, has now become the biggest narcotics producer in the Western world and there are presently more than 1200 Red Chinese "agricultural experts" converting thousands of square miles in Cuba into enormous plantations to grow the opium poppy.

Castro's economy is in a dangerous state of crisis, after his years of Communist insanity applied to economics.

So now, believe it or not, THE UNITED STATES GOVERNMENT, USING YOUR TAXES, IS HELPING TO UNDERWRITE CASTRO'S PLAN TO FLOOD THE UNITED STATES WITH HEROIN AND OPIUM.

The United Nations, notoriously flat broke, has allocated a million dollars to Castro to set up an "agricultural experimental station".

... And the "agricultural experimental station" in Cuba turns out to be thousands of acres of rich Cuban farm land which have been converted, WITH THE HELP OF YOUR TAX MONEY, to grow millions of opium poppies.

Castro does not have the machinery and equipment to process the opium poppies we are helping him to grow. That's where Red China comes in. The more than one thousand Red Chinese technicians are there in Cuba now building Castro's plant for producing the enormous quantities of heroin which will flood the United States.

At last we know what Herbert Matthews, the New York Times, Ed Sullivan, the U.S. State Department, and the rest of the "Establishment" meant a few years ago when they assured us that Castro was merely an "agrarian reformer".
